Von Robin Hobb : City of Dragons (The Rain Wild Chronicles, Book 3) before purchasing it in order to gage whether or not it would be worth my time, and all praised City of Dragons (The Rain Wild Chronicles, Book 3):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Amazing fantasy novel!Von KettrikenRobin Hobb is one of my favorite writers, so I am quite biased. This is the 3rd book in her 4th collection (The Rain wild Chronicles) in the realm of the elderlings (after the Farseer trilogy, the Liveship traders trilogy and the Tawny Man trilogy) and it is absolutely fantastic. Anyone who enjoys fantasy should

give these books a try!0 von 0 Kunden fanden die folgende Rezension hilfreich. The City of dragonsVon Wj Knowles-WilkinsonThe story continues still lots to discover in this book epic story great readingCanot wait to read the next book1 von 1 Kunden fanden die folgende Rezension hilfreich. Solid work, but not as good as the two previousVon H2_OI missed the excitement and drive that where there in the first two books of Rainwild Chronicles. Still good to read, but just not as thrilling as the other ones. I got the feeling Hobbs was using this to pull all the different threads together to set the stage for book four.

KurzbeschreibungFantasy as it ought to be written George R.R. MartinReturn to the world of the Liveships Traders and journey along the Rain Wild River in this fantastic adventure from the author of the internationally acclaimed Farseer trilogy..The dragon keepers and fledgling dragons have discovered a route to the lost city of Kelsingra but there is one problem: they need to be able to fly to cross the treacherous waters and enter the fabled city. At first, only a few dragons are willing to try the others are either too ashamed of their deformed wings and feeble muscles or too proud to risk failure and humiliation.But the rewards waiting at Kelsingra for those brave enough to take to the air are worth more than they could possibly imagine. This was a city built for dragons and their keepers. Alise Finbok is overwhelmed by the treasures she finds there, and spends hours carefully uncovering wonder after wonder, recording her findings for posterity. She knows the knowledge will change everything the world thought about dragons and the Elderlings.Yet rumours of the citys discovery have floated down the Rain Wild River and reached envious ears in Bingtown and beyond. Adventurers, pirates and fortune hunters are coming in droves to pillage what they can from the city. Will the dragons, only just finding their strength, and their keepers, who are changing in their own mysterious ways, be able to fend them off?And what has happened to Tintaglia, the dragon-mother who started it all? Has she really abandoned her offspring forever? Or will she too return to seek the riches of KelsingraPressestimmenA master fantasist. (Kansas City Star)fast action, deep emotional bonds and a great ending...[I] encourage you to check out Dragon Haven (Blogcritics.com)Hobb creates a completely alluring portrait of dragons and their culture. (Bellingham Herald on DRAGON HAVEN)Hobb has a deft hand with accessible and sympathetic characters, regardless of their fantasy trappings, and he makes effective use of the divide between what the reader knows and what the characters know to build tension.A quick and fun read. (Miami Herald on DRAGON HAVEN)Hobbs strength has always been her ability to create compelling characters to inhabit her richly detailed worlds. The Rain Wilds Chronicles is no exception. (Shroud Magazine Book s on DRAGON KEEPER and DRAGON HAVEN)In a novel as good as it is massive, the first of two Rain Wilds Chronicles...Hobb continues to occupy a perch at or near the top among contemporary fantasists. This book is imaginative, literate, and compassionate from first page to last. (Booklist (starred review))A satisfying story (The News-Star (Monroe, LA) on DRAGON HAVEN)The Soldier Son [trilogy] can be read as a political satire on American military aggression, but on a more personal level it is profoundly perceptive about the challenge faced by the honorable, brave and good. Nevarre is a true hero. (London Times)Full throttle[a] thrilling conclusionHobbs writing unfurls here with muscular and self-assured bravado, the characters fascinating and three-dimensional. (Realms of Fantasy Magazine on RENEGADE'S MAGIC)[W]e suspend disbelief with complete abandon as the pages turn and turn...Robin Hobb is one of the most important writers in 21st century fantasy. (Contra Costa Times on RENEGADE'S MAGIC)Real-life resonance gives the story extra depthBring on the next installment. (Kirkus s on CITY OF DRAGONS)[A]n engaging tale with fully realized characters that already feel like friends. (Las Vegas Journal on CITY OF DRAGONS)Pressestimmen'In today,s crowded fantasy market Robin Hobb,s books are like diamonds in a sea of zircons, George R. R. Martin 'Hobb is superb, spinning wonderful characters and plots from pure imagination' Conn Iggulden 'Hobb is one of the great modern fantasy writers... what makes her novels as addictive as morphine is not just their imaginative brilliance but the way her characters are compromised and manipulated by politics' The Times 'Hobb is a remarkable storyteller' Guardian 'Robin Hobb writes achingly well' SFX
