Von V.C. Andrews : Music in the Night (Logan Family Series) before purchasing it in order to gage whether or not

it would be worth my time, and all praised Music in the Night (Logan Family Series):

KurzbeschreibungLaura Logan dreams of a glorious Cape Cod day when all the dark secrets are swept away....For Laura Logan, life on Cape Cod has been nearly perfect, full of magical days spent enjoying the sea with her beloved twin brother, Cary. But then, like the creeping of the tides, the vicious rumors at school begin -- cruel voices saying unspeakable things about the Logans. Laura tries to ignore them, but not until handsome, gentle Robert Royce moves to their town does she feel truly carefree and happy again.While Robert's smile drives the shadows from Laura's heart, she still worries about Cary, whose gloomy moods drift in like the coastal fog. And then Grandma Olivia issues a chilling threat, forbidding Laura to see Robert ever again. Alone to suffer because of dark secrets no one will explain, Laura obeys...until the miracle of a glorious summer leads her back into Robert's arms. But dark thunderclouds have been gathering on the horizon, and when they suddenly burst with tragedy, they howl a name from the Logans' shameful past that plunges Laura into a silent, terrible agony. Now Laura can only dream of the warm, sun-filled life she so desperately desires....KurzbeschreibungLaura Logan dreams of a glorious Cape Cod day when all the dark secrets are swept away....For Laura Logan, life on Cape Cod has been nearly perfect, full of magical days spent enjoying the sea with her beloved twin brother, Cary.
