Wonderful book.....couldn't put it down.Von Ein KundeThis book is just wonderful...the only reason I gave it 4 instead of 5 stars is because it's not as good as some of Al Lacy's others. But that doesn't mean it isn't great. I bought this book and read it in one day. It captures your imagination and you feel right along with the characters.0 von 0 Kunden fanden die folgende Rezension hilfreich.
