Von E. V. Thompson : Chase The Wind: Number 2 in series (Retallick Saga) before purchasing it in order to gage whether or not it would be worth my time, and all praised Chase The Wind: Number 2 in series (Retallick Saga):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. COME

LET MADELINE BAKER TAKE YOU BACK IN TIME!!!!!!!!!!!!!!Von Ein KundeIf you like Apache Runaway you'll love Chase the wind.It takes up the Ryder and Jenny story after their kids have grown up.Chase is a bitter man who is looking for the mother who abandon him for a white man when he was just a baby.What he finds is a love that becomes stronger with each peril they face and a family that will stand by him throught it all. Oh yes and a unbeleiveable wedding.2 von 3 Kunden fanden die folgende Rezension hilfreich. DUMB!Von Ein KundeI knew I would buy this book because Madeline Baker wrote it. When I read the book description I knew immediately that it was a sequel to Apache Runaway. I loved Apache Runaway, because it was a wonderful book. It showcased M. Baker's great writing style. However, Chase the Wind was so DUMB. I don't know what else to say. Oh wait, yes I do. The son that Jenny gave up to his Apache father so long ago comes back into her life. He wants to hate her but he doesn't. So that means no conflict really. I mean this almost conflict is basically cleared up when Chase meets his mom for the first time. He falls for Beth his half-brother's sweetheart, so I'm thinking okay here comes the conflict. Wrong again. There was a minor conflict between Chase and his half-brother, who's name escape my memory. I only read this book once so, go figure, I can't remember the characters' names. Chase's half-brother suddenly realizes that he is in love with another woman so that conflict is resolved, he just has to admit it to himself. Chase and Beth have sex outside while a big party is going on, HELLO! Her father catches them. He gets some guys to beat Chase up and call his daughter some names, but in the end all is forgiven! Huh, what? The ending was just so dumb. I guess M. Baker wanted to wrap this book up, because the ending was so uncreative. I mean this book is about 400 pages, to me, it was about 380 pages too long. What can I say about Beth? Let's try DUMB! All Beth keep saying in this book was "Oh my". I said to myself if she says "Oh my" one more time I would scream while reading this book and bingo, I had to let one fly. M. Baker usually writes better characters than what I read in Chase the Wind. It seems to me that she didn't even want to write a sequel to Apache Runaway, because she didn't come up with any good ideas for this book. I wish she didn't make this sequel, because I hated it. I should give it a one star, but I just can't give M. Baker a one star lol.

KurzbeschreibungJosh Retallick, hardy son of a respected Cornish family, and the wild Miriam, daughter of a drink-sodden copper miner, explore together the secret places and wild creatures of Bodmin Moor, unaware that fate will soon sweep them apart.Yet destiny brings them together again and again through hard and bitter years when the forces of property and power fight to crush the sturdy mining folk who refuse, come what may, to see their spirit broken . . .
.Werbetext* The second in the successful Retallick series.KurzbeschreibungJosh Retallick, hardy son of a respected Cornish family, and the wild Miriam, daughter of a drink-sodden copper miner, explore together the secret places and wild creatures of Bodmin Moor, unaware that fate will soon sweep them apart.Yet destiny brings them together again and again through hard and bitter years when the forces of property and power fight to crush the sturdy mining folk who refuse, come what may, to see their spirit broken . . .
