Erstes Buch von Tyler...Von teemausLange schon verfolge ich Tyler's Blog und musste

dieses Buch unbedingt haben. Seine Typewriter Series und Haiku sind einfach groartig....und ich wei, wovon ich rede. Wenn mein eigener Blog irgendwann in ferner Zukunft nur einen Bruchteil seiner Leserzahl haben sollte, wre das toll! Das Buch hat gerade die richtige Gre um es bequem in der Hand halten zu knnen, die Seiten sind schn gestaltet und die Texte sowieso vom Feinsten. Bravo! So bringt man Lyrik an den Mann bzw. die Frau!1 von 1 Kunden fanden die folgende Rezension hilfreich. Buy it! Von Jonna S. It's fantastic! Since Typewriter series Nr. 3 I'm totally obsessed with Tyler Knott Gregson's poetry. One book with his most beautiful poems and pictures - a perfect collection!

Kurzbeschreibung I would love to say that you make me weak at the knees, but to be quite upfront and completely truthful, you make my body forget it has knees at all. One day, while browsing an antique store in Helena, Montana, photographer Tyler Knott Gregson stumbled upon a vintage Remington typewriter for sale. Standing up and using a page from a broken book he was buying for \$2, he typed a poem without thinking, without planning, and without the ability to revise anything. He fell in love. Three years and almost one thousand poems later, Tyler is now known as the creator of the Typewriter Series: a striking collection of poems typed onto found scraps of paper or created via blackout method. Chasers of the Light features some of his most insightful and beautifully worded pieces of work-poems that illuminate grand gestures and small glimpses, poems that celebrate the beauty of a life spent chasing the light. Pressestimmen A collection of poems that evoke consistent inspiration and lasting resonance. Literary Inklings Your heart will be stoked. Christina Perri, singer/songwriter "Gregson is clearly a romantic... His words slip past the defenses of even the most bitter, with boarded-up hearts and cynical minds, reminding readers why we love, yearn for connection, and bare our souls." The Hiding Spot Like many people I know, I fell in love with Tyler Knott Gregson's poetry via Instagram. Maybe its the allure of his Typewriter Series (awesome poems and quotes typed on vintage-looking parchment paper) or the fact that he posts just about every day so people always have something to see, but in the end I think its his raw talent for striking the chords of emotion within us that keep us coming back. The Blonde Vegan His Haikus inspire in their simplicity because it has become rare to find beauty in the mundane. His poems are capturing in their tone and in the way he utilizes his words. His photography is simply breathtaking, to say the least. The Society Cynic There are writers and poets who just get it. Then, there are writers and poets who are so on point, you have no choice but to feel like maybe they've been reading your diary. If you're an avid Tumblr user, or just a fan of knowing you're not alone, you might be familiar with the work of Tyler Knott Gregson. Not only is Gregson a well-versed poet (pun intended) but he's also an incredible artist, photographer and has a big heart for charity. Buzznet With over 30,000 Facebook fans and more than 100,000 Tumblr followers, Gregson has definitely hit a nerve with his short-yet-poignant pieces. In an age of goofy Vine videos, memes and Instagram dinner-plate photos, poetry seems an unlikely addition to the community of web shares and posts. Gregson's poetry, though, isnt about flashy design or snappy humor. To read the comments on his blog and Facebook pages, its plain to see that his words genuinely resonate with his fans. Elsewhere NYC I LOVE THIS! I follow Tyler Knott Gregson on Twitter and Tumblr. Hes amazingly talented! Feeding My Addiction Book s His poetry always catches me a bit off-guard and makes me reflect which is why I like it so much. If you need a dose of romantic and moving poetry in your life, I highly recommend you follow this guy. Eryn Faye I read page after page, and I hope you take the time to do the same. That way we all can tell our children, as they reads his words from their textbooks, that we were among the lucky ones who first happened upon Tyler Knott Gregson not long after his tumblr days. This man. Him and his words are remarkable. I would tip my figurative hat to you, sir, but even that seems to small of a gesture to express myself. Just Another Silly Dreamer Forget having a guy quote me Shakespeare or Neruda, find me a guy who can quote Gregson. Hed have me hook, line, and sinker. Belle of the Library Gregson's Chasers of the Light is a beautiful little book that will make you feel something. Pretty In Fiction gorgeous from cover to cover. Savvy Verse Wit I would give this book to anyone I'd like to convince to start reading poetry. Book Dilettante Beautifully done and a fresh and creative voice in poetry. Stories Sweeties Please read this book, especially if youre new to poetry because its a great first introduction. I Blog, You Read Gregson writes some of the most beautiful, romantic, and thought-provoking poetry I have ever read. Girls Writes s I wanted to kiss the book and place it somewhere, not just toss it into a ready to pass on pile. Marias Space This is hands down, no doubt about it, the most beautifully written piece of work Ive read this year. The Paige-Turner Kurzbeschreibung I would love to say that you make me weak at the knees, but to be quite upfront and completely truthful, you make my body forget it has knees at all.
