Promising start of a new spy thriller series!Von Thrawn95This novella is a total blast from start to finish!A lot of

twists, great characters and an ending that leaves you begging for more! Can't wait for the full length novel!

Kurzbeschreibung Europe's smartest criminal, versus America's best spy. And then there's poor Emily, stuck in between. \_\_\_\_\_ "Wow! Jack Reacher move over. Kyle Achilles is on the job." --Ann Burgund "I loved this novella. It started out fast and never stopped." --Margaret Lovett "Easy to read, and hard to put down." --Todd Simpson \_\_\_\_\_ Rumor has it there's a Russian you can turn to if you're very rich, and need dirty deeds done without a trace. The CIA calls him Ivan the Ghost because he's operated for years without leaving a trail or revealing his face. Until now. For the first time in history, Ivan appears to have slipped. The CIA's new director sets Agent Kyle Achilles on an intercept course, surveilling the daughter of a British politician. Then Ivan pulls off a masterful con, and Emily vanishes. With Emily's life, his career, and America's reputation at stake, Achilles partners with an unlikely new agent he meets in France. Together they attempt to get one step ahead of the legendary Russian, while rubbing elbows with the ultra-rich in a high-tech international chase. "Tim Tigner is fast becoming one of my all time favorites!" --Ronald Spunt \_\_\_\_\_ Dear Reader, If you enjoy David Baldacci, Lee Child, Tom Clancy, Nelson DeMille, Ken Follett, Vince Flynn, James Patterson, Daniel Silva, or Brad Thor, odds are you'll be smiling a few pages into my books as well. Care to try before you buy? No problem. You can download one my thrillers for free at [timtigner.com](http://timtigner.com). Need help putting the kids through college? I can appreciate that. I have a couple of my own. I'm not in a position to help you with tuition yet, but I can provide days of delightful distraction for the price of a cup of coffee, and kind reviews will get good karma sent your way. Thanks for your kind consideration, Tim

den Autor und weitere Mitwirkende Tim began his career in Soviet Counterintelligence with the US Army Special Forces, the Green Berets. That was back in the Cold War days when, "We learned Russian so you didn't have to," something he did at the Presidio of Monterey alongside Recon Marines and Navy SEALs. With the fall of the Berlin Wall, Tim switched from espionage to arbitrage. Armed with a Wharton MBA rather than a Colt M16, he moved to Moscow in the midst of Perestroika. There, he lead prominent multinational medical companies, worked with cosmonauts on the MIR Space Station (from Earth, alas), chaired the Association of International Pharmaceutical Manufacturers, and helped write Russia's first law on healthcare. Moving to Brussels during the formation of the EU, Tim ran Europe, Middle East, and Africa for a Johnson Johnson company and traveled like a character in a Robert Ludlum novel. He eventually landed in Silicon Valley, where he launched new medical technologies as a startup CEO. In his free time, Tim has climbed the peaks of Mount Olympus, hang glided from the cliffs of Rio de Janeiro, and ballooned over Belgium. He earned scuba certification in Turkey, learned to ski in Slovenia, and ran the Serengeti with a Maasai warrior. He acted on stage in Portugal, taught negotiations in Germany, and chaired a healthcare conference in Holland. Tim studied psychology in France, radiology in England, and philosophy in Greece. He has enjoyed ballet at the Bolshoi, the opera on Lake Como, and the symphony in Vienna. He's been a marathoner, paratrooper, triathlete, and yogi. Intent on combining his creativity with his experience, Tim began writing thrillers in 1996 from an apartment overlooking Moscow's Gorky Park. Twenty years later, his passion for creative writing continues to grow every day. His home office now overlooks a vineyard in Northern California, where he lives with his wife Elena and their two daughters. Tim grew up in the Midwest, and graduated from Hanover College with a BA in Philosophy and Mathematics. After military service and work as a financial analyst and foreign-exchange trader, he earned an MBA in Finance and an MA in International Studies from the University of Pennsylvania's Wharton and Lauder schools. Thank you for taking the time to read about the author. Tim is most grateful for his loyal fans, and
