**Von Jalpa Williby : Chaysing Dreams (Chaysing Trilogy Book 1) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Chaysing Dreams (Chaysing Trilogy Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.  
CHAYSING DREAMSVon Pamela FoleyTess has a perfect life, everything comes easy and natural, the best parents, top of the class in high school, terrific athlete and awesome friends. Her life is perfect, except for the same invasive nightmare thats haunted her, her whole life. Is it her in the nightmares or a vision of someone else? Who is the girl

running from? On her sixteenth birthday, Tess meets a mysterious boy named Joe. Shes never really felt any romantic feelings for a boy before, and has always scoffed at her Mom about love at first sight. But she feels an instant connection/bond to this boy and doesnt understand why. Unfortunately, she never sees him again. Or does she?I ran across this book in several different reading groups and Ive heard nothing but good raves for this book. Im finally glad I had a chance to read it. The praises are well-deserved, and I cant wait to read the second one, Chaysing Memories.The chemistry between Tess and Joe then Chris is so palpable, I felt like I was right here with them. Even with Jack, which Tess sees only as a friend, you can feel his yearning, wishing their relationship was more than just friendship. This is the type of book you cant really describe in a review as I dont want to give away any of the twists and turns of the plot. But you will live through all the joys and sadness of Tess life, especially when she finally understands the meaning of true loss. Will she be able to pick herself up and learn to live again?The ending of the book was perfect to set up for the sequel. It leaves a lot of unanswered questions. I want to know more. How does Chayse escape? How will Tess get her memories back? Who and what are Tess and Chayse? Are there more of them? I absolutely loved this book and give it 5 feathers.

Kurzbeschreibung\*\*This is a completed series\*\*Same nightmare. Every single night. She is running for her life. A mysterious guy is chasing her.Tess Sanoby has it all: the perfect family, the perfect best friends, the perfect grades, and the perfect looks. But, in an instant, her perfect world falls apart. The only person who can possibly save her may be her worst enemy.Chaysing Dreams is the first of the Chaysing Trilogy. It's an epic love story, full of suspense and passion, tragedy and perseverance, and the ultimate sacrifice. Would you sacrifice your freedom for love?Kurzbeschreibung\*\*This is a completed series\*\*Same nightmare. Every single night. She is running for her life.
