Von Jalpa Williby : Chaysing Memories (Chaysing Trilogy Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Chaysing Memories (Chaysing Trilogy Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. WHAT A POWERFUL STORYVon Pamela FoleyWhy do some writers have characters that reach off the pages and capture your heart and soul? While other writers only write drab, boring characters? True, some of its the writing skill of the author. Yet Ive read books that were very elegantly written, but I just couldnt get attached to the characters. What were

they missing? I ponder this question a lot as I examine my own writing. How do you get readers to feel for your characters? Well, that's one question Jalpa Williby doesn't need to ask herself. She has a very simplistic writing style, nothing fancy or over-the-top, but she writes with such raw passion and fire that her characters draw you into their lives. She did tell me she cried while writing this story. Maybe that's the secret. If the writer can't feel the emotions of their characters, how will the reader. I've never been an advocate of book series; I want the whole story in one book. Usually the second one in the series isn't as good as the first book and the third one isn't as good as the second. You get my drift. But I found the exception in this case. After finishing *Chasing Dreams*, I knew I had to read the second book. And, believe it or not, *Chasing Memories* is actually better than the first book. I've heard that the third and last book of the series, *Chasing Destiny*, is even better. Now I can't wait. *Chasing Memories* starts 4 months after the ending of *Chasing Dreams*. I can't go into much detail as I don't want to give away any of the storyline. Suffice it to say, I did figure out some of the consequences of Tess and Chayse's union, but the ending was unexpected and totally devastating. Talk about a see-saw of emotions. Wow!! The second book also enriches the secondary characters like Jack, Kylie and Aunt Jema and the strong bond they share with each other. And there's Gem, the wonder dog. I want one of those! If you're looking for a HEA romance, you won't find it here, but if you're looking for raw emotions and passion, this book is for you. I give this wonderful tale a well-deserved 5 feathers.

Kurzbeschreibung **EVEN IF YOUR MIND FORGETS, WILL YOUR HEART REMEMBER?** They say you can't beat Fate. She has the power to fill your heart with happiness or shatter it into a million pieces. Too many lies, too many secrets. Tess's perfect little world is now nothing more than chaos. She is determined to find inner strength, happiness, and peace. And yet, she can't remember some of the most crucial events of her life, including the man she once fell in love with. Will she be able to trust her instincts and listen to her heart before it's too late? Chayse has given up his life for her. And he would do it again. A man, once powerful and fierce, now has lost control of everything around him. Can he hang on to the slim hope that somehow Tess will be able to find him and save him from his hell, even though she has no idea who he is? Don't miss this highly anticipated sequel to the best seller, *Chasing Dreams*, as Tess's story continues in *Chasing Memories*. Travel the journey with Tess as she bravely barrels through the enigmatic path, through her laughter and tears, through her pain and desire. This compelling novel will shock you with startling revelations and will keep you frantically turning pages until the very end. **Kurzbeschreibung **EVEN IF YOUR MIND FORGETS, WILL YOUR HEART REMEMBER?**** They say you can't beat Fate.
