Von Catherine Anderson : Cherish before purchasing it in order to gage whether or not it would be worth my time, and all praised Cherish:

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Well-written, But...Von Ein KundeThis book is very well-written, believe me. The trademark Catherine Anderson stamp is

there. However, reading this book is NOT an easy chore. The book opens with a brutal murder-rape scene with the heroine witnessing the massacre of her parents and friends. The hero rescues her after a long, bloody shootout with the outlaws, and the book never stops in its unremitting feel of danger. Every quiet moment the two share seems to be on borrowed time, as the outlaws continue to haunt them. A 12 year old got senselessly murdered, people got beaten up badly, and when I reach the end, it's with a sense of relief, not satisfaction. Catherine Anderson writes well about the healing powers of love, but for me, this book is really dark and morbid. I'll pass. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Another helpless waif saved by the "manly" hero. Von Ein Kunde Okay, so this wasn't a horrible book, but it was frustrating to read. The subject matter, including rape, murder, and beatings, was intense and created a pervasive sense of doom. Understandably, the heroine reacts to the trauma in her life with fear and crying spells, however, the extensive focus on this prevented the relationship between the hero and heroine to be developed and explored. The hero sees the heroine in the midst of the carnage of rape and murder and immediately falls in love with her waif-like beauty. She in turn falls in love with his strength and ability to protect her. While the heroine does gain some strength at the end, it would be nice to read about a woman who has experienced violence or trauma and was able to overcome it and become stronger, more competent and independent on her own, or with a man's support instead of because a man protected and took care of her. While I did finish this book, I must admit I did so with relief that it was over. I have read other books by this author which I have enjoyed, this just wasn't one of them. 1 von 1 Kunden fanden die folgende Rezension hilfreich. I "cherished" this book. Von Maryann Anderson I was entranced from page one and I felt the murder-rape scene was mentioned only enough to portray what happened without going into long gory details. I fell in love with Race when he was talking to Rebecca and explaining to her why she had no reason to fear him. The way he allowed her to lean on him when she needed, yet gradually taught her to stand on her own was masterfully written. Even though some of the subject matter is disturbing, Ms. Anderson uses enough humor that the book itself is far from disturbing. I cried a time or two when I was reading this, but I laughed almost constantly. Also, I will never read Keats again without thinking of Rebecca! Thank you, Ms. Anderson. I thoroughly enjoyed this book.

Kurzbeschreibung He Longed for... Race Spencer's gunslinging days are far behind him. He is now a rugged, respectable rancher, but it's a solitary life. Then Fate leads Race to an earthbound angellost and alone' the sole survivor of an outlaw attack and even his hardened heart is moved. He sweeps the ivory-skinned beauty into his arms and carries her away from danger. A Woman to Cherish When innocent Rebecca Morgan wakes up in a stranger's embrace, her life has been changed forever. Race's touch makes her blood sing and stirs up emotions in her she never knew existed. But this man has a fearsome reputation. And though her life may depend on him, can she trust him? Is it love she sees in her rescuer's dark eyes.? Race Spencer's gunslinging days are far behind him. He is now a respectable rancher, but it's a solitary life. But then Fate lead Race to an earthbound angellost and alone, the sole survivor of an outlaw attack and even his hardened heart is moved. He sweeps the ivory-skinned beauty into his arms and carries her away from danger. When innocent Rebecca Morgan wakes up in a stranger's embrace, she knows her life has been changed forever. Though Race's touch makes her blood sing and stirs up emotions in her she never kenw existed, she knows this man has a fearsome reputation. And though her life may depend on him, she doesn't know if she can trust him. Can it really be love she sees in her rescuer's dark eyes?. de Gunslinger turned rancher, Race Spencer has little knowledge of chaste women. But he's forced to learn when he rescues Rebecca Morgan, the soul survivor of a church group attacked by a band of outlaws anxious to steal the church's money. When Race interrupts their assault before the money is found, a gun battle ensues. Now Race must keep Rebecca safe from the outlaws who are eager to get their hands on the money no matter what the cost. This rough-hewn hero and beautiful heroine's life experiences are light years apart: innocent Rebecca, sheltered from the world by her religion, and cynical Race, who grew up in a world of prejudice and violence, with his physical size and swift gun as his only protection. But they miraculously find a common ground and learn to love each other, making Cherish an emotional read. Don't miss it. --Lois Faye Dyer.com Gunslinger turned rancher, Race Spencer has little knowledge of chaste women.
