KurzbeschreibungThe Bennet family changed dramatically when Mr Bennet nearly lost his life. The rekindled love between him and his wife encouraged a unifying bond amongst their five daughters. Their story unfolds as each eligible young lady walks down the aisle, taking her husband's hand and forever leaving the name of Bennet behind. Charles Bingley's heart has been captured by the enchanting Jane Bennet, and his dearest wish is to cherish her love for all his days. With the recent marriage of Jane's sister, Elizabeth, to his dearest friend, Fitzwilliam Darcy, changes are bound to come to their friends and family as well. Though winter brings some cold, harsh moments for some, embers of love will spark for others in unexpected ways. Having already faced and overcome tragedy, will a jealous villain be able to change what fate has already set into motion for the now extended Bennet family?

ber den Autor und weitere MitwirkendeSarah Johnson is a professional juggler in the circus of life! Married to her own Mr Darcy for sixteen years, they traveled the world thanks to the US Army. Now back in the civilian life and settled in Texas, where she grew up, they focus on homeschooling their six children and participating in church and community activities. She can often be found writing a manuscript between spills, science labs, and pencil wars, or late into the night when the house is finally still enough for her imagination to run wild! When she has a few spare moments, she enjoys just about anything crafty scrapbooking, painting, sewing, quilting, crocheting basically anything except knitting, a craft she swears few left-handers truly ever pick up well. A devotee of all things Jane Austen, she enjoys exploring the story lines Jane never lived long enough to give the world. She is often found discussing with her online friends the intricacies of the novels we do have from our dearest author. It is these discussions that often lead to the plot bunnies that have now become many stories over the last few years, and hopefully further into the future as well.
