Cherringham - Murder by Moonlight - von verifizierter KaufVon gypten 10Ich bin von dieser Serie hell auf begeistert.  
Es ist nicht schwierig zu lesen, sehr interessant geschrieben und trotzdem nicht so aufregend, dass man anschließend  
völlig entnervt ist. Sehr zu empfehlen.

KurzbeschreibungJust two weeks to go before the Cherringham Charity Christmas Concert. Choir rehearsals are in full swing. Then the worst thing happens: Kirsty Kimball, one of the singers, is found dead from a severe allergic reaction to one of the home-made rehearsal cakes. Jack is pulled in to help bolster the depleted choir - and soon he's convinced that Kirsty's death was no accident. Sarah agrees, and the two of them are soon immersed in the jealousies, rivalries, and passions of Cherringham's Rotary Club choir ...Cherringham is a serial novel à la Charles Dickens, with a new mystery thriller released each month. Set in the sleepy English village of Cherringham, the detective series brings together an unlikely sleuthing duo: English web designer Sarah and American ex-cop Jack. Thrilling and deadly - but with a spot of tea - it's like Rosamunde Pilcher meets Inspector Barnaby. Each of the self-contained episodes is a quick read for the morning commute, while waiting for the doctor, or when curling up with a hot cuppa. For fans of Agatha Christie's Miss Marple series, Lilian Jackson Braun's The Cat Who series, Caroline Graham's Midsomer Murders, and the American TV series Murder She Wrote, starring Angela Lansbury. Co-authors Neil Richards (based in the UK) and Matthew Costello (based in the US), have been writing together since the mid 90s, creating content and working on projects for the BBC, Disney Channel, Sony, ABC, Eidos, and Nintendo to name but a few. Their transatlantic collaboration has underpinned scores of TV drama scripts, computer games, radio shows, and - most recently - the successful crime fiction series Cherringham. Now into its second season of 12 novellas, Cherringham is popular around the world and has been adapted as a series of audiobooks in English and German.
