cherringham the body in the lake von vrrifizierter kaufVon gypten 10Ich liebe diese cherringham kriminalromane. Sie sind nett, interessant zu lesen und doch spannend.und man tut noch etwas fr die englischen sprachkenntnisse.

KurzbeschreibungCherringham parish council has invited Laurent Bourdain, mayor of a French village on the Brittany coast, to a gala reception to join the two villages in a mutually beneficial 'twinning.' The venue: Lady Repton's manor house, which her Grandson hopes to turn into a world-class conference center. An elaborate dinner worthy of the French dignitary has been prepared. But as the night wears on, and the wine flows, the mayor will vanish from the celebration, only to be found floating dead in the nearby lake. An accident it would appear, until Jack and Sarah start to piece together what really happened to the body in the lake. Cherringham is a serial novel la Charles Dickens, with a new mystery thriller released each month. Set in the sleepy English village of Cherringham, the detective series brings together an unlikely sleuthing duo: English web designer Sarah and American ex-cop Jack. Thrilling and deadly - but with a spot of tea - it's like Rosamunde Pilcher meets Inspector Barnaby. Each of the 12 self-contained episodes is a quick read for the morning commute, while waiting for the doctor, or when curling up with a hot cuppa. For fans of Agatha Christie's Miss Marple series, Lilian Jackson Braun's The Cat Who series, Caroline Graham's Midsomer Murders, and the American TV series Murder She Wrote, starring Angela Lansbury. Co-authors Neil Richards (based in the UK) and Matthew Costello (based in the US), have been writing together since the mid 90s, creating content and working on projects for the BBC, Disney Channel, Sony, ABC, Eidos, and Nintendo to name but a few. Their transatlantic collaboration has underpinned scores of TV drama scripts, computer games, radio shows, and - most recently - the successful crime fiction series Cherringham. Now into its second season of 12 novellas, Cherringham is popular around the world and has been adapted as a series of audiobooks in English and German.
