And it's a safe bet she'll never stop, because now she writes them too. Granted, Raine's stories are edgy enough to turn Ms. Cartland in her grave, but to her way of thinking a hot, sexy hero never goes out of fashion. Ever! Writing books pretty much fills her days now and she's always busy. Raine has a prince of a husband, and two brilliant sons to pull her back into the real world if the writing takes her too far away. She loves to hear from readers and to chat about the characters in her books. You can connect with her on Facebook or visit her blog at www.RaineMiller.com to find out what she's working on now.
