Von Sheri WhiteFeather : Cheyenne Dad (Mills Boon Desire) before purchasing it in order to gage whether or not it would be worth my time, and all praised Cheyenne Dad (Mills Boon Desire):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.
Cheyenne DadVon Dorothy S. MauldinMrs. Sheri Whitefeather has written another excellent book. This one included children and two people who loved one another for years and adopted their friend and sister's children as their own. Of course, Dakota being an ex or retired bullrider made it more interesting. Mrs. Whitefeather puts alot of feeling into the stories that she writes. She in my opinion is an excellent romance American Indian writer. I look forward to endless books from her. I just have the problem of reading her books faster than she can write them. Everyone needs to read everyone of her books to appreciate her writing skills. Please Mrs. Whitefeather, keep up the great writing, I look

forward to "Night Wind's Woman" due out in November. Thanks from Sunny Florida, Dorothy S. Mauldin

KurzbeschreibungEven champion bull rider Dakota Graywolf could not defy Cheyenne tradition. So when Annie Winters asked him to be her husband and father to three Native American boys he accepted with reluctanceand pride. Dakota expected his honor to bring a reward his wife' s passion. He longed to know voluptuous Annie in every way, every night. But she held their paper marriage like a shield, protecting her innocence. Still, this modern warrior would have this woman in his marriage bed. And she would cherish him body and soulBut how long before Dakota realized the only way to capture Annie was to love her?KurzbeschreibungEven champion bull rider Dakota Graywolf could not defy Cheyenne tradition.
