Von Kathleen Morgan : Child of the Mist (These Highland Hills Book #1) before purchasing it in order to gage whether or not it would be worth my time, and all praised Child of the Mist (These Highland Hills Book #1):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Annoying charactersVon Matthias KleinI had to stop reading this book after 1/3 through because it was too frustrating how weak the main characters were. The heroine had no stability in her personality and went from hating to loving to

hating her husband 5 times on each page. He was brutal, but a promise and a kiss would set her heart pounding again. I don't understand why men can get away with harsh and abusive behaviour in novels like this. It would have made more sense for me if she was consistent in not liking him, and he had to win her over by changing his behaviour for good. The constant back and forth was too much.

Jahrhundert nur Heilerinnen und Hebammen gegeben hat, alle wurden als Hexen beschimpft und verbrannt oder zumindest angeklagt. So auch hier, der Held eilt zur Rettung herbei, alles wird gut. An sich wäre die Grundidee der Geschichte, dass die Tochter eines Clanführers aus politischen Gründen den Clanführer eines anderen heiraten muss, mit allen Wirrungen und Irrungen, Verrat und Intrigen, samt korrekter historischer Hintergründe und einer Portion Humor und Romantik ausreichend gewesen. Warum es nun auch noch (mal wieder) eine Heilerin und dann die Anklage wegen Hexerei sein musste... Vielleicht zu viel gewollt und auch etwas schlecht recherchiert, denn im 15. Jahrhundert trugen Frauen in den Highlands sicher keine Petticoats, die Kilts kamen auch erst etwas später, soweit ich weiß.

Taming of the Shrew in the Scottish Highlands Von Hoener, Birgit "In the harsh Scottish highlands of 1565, superstition and treachery threaten a truce between rival clans. It's a weak truce at first, bound only by an arranged engagement between Anne MacGregor and Niall Campbell - the heirs of the feuding families. While Niall wrestles with his suspicions about a traitor in his clan, Anne's actions do not go unnoticed. And as accusations of witchcraft abound, the strong and sometimes callous Campbell heir must fight for Anne's safety among disconcerted clan members. Meanwhile his own safety is threatened with the ever-present threat of someone who wants him dead. Will Niall discover the traitor's identity in time? Can Anne find a way to fit into her new surroundings? Will the two learn to love each other despite the conflict?" The Taming of the Shrew set into the Scottish Highlands in the 16th century - more or less. I absolutely loved this book, narration style, plot, characters, dialogues and storyline, everything came together to make this a truly enjoyable read. I would love to see more of this author, definitely a recommendation from me!

Kurzbeschreibung In the harsh Scottish highlands of 1565, superstition and treachery threaten a truce between rival clans. It's a weak truce at first, bound only by an arranged engagement between Anne MacGregor and Niall Campbell - the heirs of the feuding families. While Niall wrestles with his suspicions about a traitor in his clan, Anne's actions do not go unnoticed. And as accusations of witchcraft abound, the strong and sometimes callous Campbell heir must fight for Anne's safety among disconcerted clan members. Meanwhile his own safety is threatened with the ever-present threat of someone who wants him dead. Will Niall discover the traitor's identity in time? Can Anne find a way to fit into her new surroundings? Will the two learn to love each other despite the conflict? With a perfect mix of a burgeoning romance and thrilling suspense, this book is historical fiction at its best.
