Von Shelley K. Wall : Chloe's Secret (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Chloe's Secret (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Ein paar Seiten mehr...Von BschungshobelFr meinen Geschmack hat das Buch zu viele Anstze, die nicht richtig ausgearbeitet

worden sind. Man kann die Geschichte zwar gut lesen, aber immer wieder fragt man sich: " Was fühlt er / sie jetzt wirklich? Wohin führt die Geschichte?" Da hätten vielleicht noch ein paar zusätzliche Seiten, die mehr die Hinter- und Beweggründe darstellen nicht geschadet. Es fällt einem manchmal schwer mitzufühlen bzw. eine Verbindung zu den Hauptpersonen aufzubauen.

Kurzbeschreibung Tess Garner can't afford her condo, especially after the boss announces the anticipated raise won't be coming. And she certainly can't afford a toy. But she can't turn down the inherited Harley and her father's challenge to ride it. Colton Scott is overwhelmed by stresses from his vet clinic, his aging grandmother's tour business, his parents' breakup. Both Tess and Colton need an escape. For Tess, it's to take a ride around Kansas City in a horse-drawn carriage. Here she meets Mona, a wonderful woman with a shocking, emotional tale. For Colton, he subs for his friend teaching people to ride motorcycles. Unfortunately, it's a combination of sparks and fireworks when the two overworked people meet. He can't handle a relationship right now. And when Tess learns he's Mona's grandson, her problems grow. Should she tell this woman's life-altering secret or let things lie? Can she ignore the attraction to Colton?
