Von Joanne Fluke : Chocolate Chip Cookie Murder (Hannah Swensen series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Chocolate Chip Cookie Murder (Hannah Swensen series):

Kundenrezensionen
Hilfreichste Kundenrezensionen
0 von 0 Kunden fanden die folgende Rezension hilfreich. Nicht gerade brilliant aber unterhaltsam
Von U. Bogdan
Zumindest wenn man ber die diversen inhaltlichen und schreiberischen Schwchen hinweg sieht. OK, seien wir ehrlich, Flukes Romane sind keine hohe Literatur. Sie sind nicht einmal wirklich gutes Mittelma. Die Story hinkt, selbst wenn man bedenkt, dass sie in den späten 80ern geschrieben wurde und die Schreibe ist nun auch nicht wirklich brilliant. Trotzdem habe ich das Buch mit einigermaßen Vergnügen zuende gelesen und mich auch an die Weiteren gemacht. Die Hannah Swensen Mysteries sind ein bisschen wie die beschriebenen Deserts, süß und schnell, mit ein bisschen vielen leeren Kalorien, aber man hrt halt doch nicht auf zu Essen.
Fazit: Wer keinen großen Anspruch an Schüssigkeit und Sinnhaftigkeit einer Krimihandlung hat, kann sich bei diesen Romanen ganz gut amüsieren. Mehr nicht.
4 von 5 Kunden fanden die folgende Rezension hilfreich. kuchen und mord - eine gelungene Mischung
Von M. Fischer
Perfekte kurzweilige Unterhaltung, alles was man von einer cozy mystery erwartet. Ein bisschen Spannung (nicht zu blutig), etwas Liebe, viele nette Protagonisten und hier das Tpfelchen auf dem I die leckeren Rezepte...mein Vorschlag: erst das Buch lesen, dann zum Backofen eilen.
9 von 9 Kunden fanden die folgende Rezension hilfreich. einfach lustig und teils spannend
Von Ein Kunde
Nachdem mich der Titel neugierig gemacht hatte, was da einer Frau wieder zum Thema "Hausfrauenkrimi" eingefallen ist war ich dann überrascht, als mich die Handlung des Buches so gefangen nahm, da ich die Geschichte in einem Aufwaschen durchlas. Es ist eine sprachlich einfache (daher für "Non Native Speaker") angenehm erholsame Lektüre, die auch ohne Übersetzungshilfen zu verstehen ist. Bei wenigen Krimis konnte ich so herzlich lachen, wie bei diesem, weil die Beschreibungen der Personen einfach spritzig sind. Unterhaltsame Urlaubslektüre ohne großen Anspruch, aber mit vielen neuen Ideen, die nicht das Gefühl von "es ist immer das selbe" aufkommen lassen.

Kurzbeschreibung
Joanne Flukes bestselling Chocolate Chip Cookie Murder is coming to Hallmark Movies Mysteries as Murder She Baked: A Chocolate Chip Cookie Murder Mystery starring Alison Sweeney, Cameron Mathison, Gabriel Hogan and Barbara Niven. Take one amateur sleuth. Mix in some eccentric Minnesota locals. Add a generous dollop of crackling suspense, and you've got the recipe for this delicious new mystery series featuring Hannah Swensen, the red-haired, cookie-baking heroine whose gingersnaps are almost as tart as her mouth and whose penchant for solving crime is definitely stirring things up. Chocolate Chip Cookie Murder
Hannah already has her hands full trying to dodge her mother's attempts to marry her off while running The Cookie Jar, Lake Eden's most popular bakery. But once Ron LaSalle, the beloved delivery man from the Cozy Cow Dairy, is found murdered behind her bakery with Hannah's famous Chocolate Chip Crunchies scattered around him, her life just can't get any worse. Determined not to let her cookies get a bad reputation, she sets out to track down a killer. But if she doesn't watch her back, Hannah's sweet life may get burned to a crisp. "A cleverly plotted cozy full of appealing characters and delicious cookie recipes." --Publishers Weekly
From Publishers Weekly
Independent-minded Hannah Swenson makes her debut in a cleverly plotted cozy, full of appealing characters and delicious cookie recipes. Returning after her father's death to her hometown of Lake Eden, Minn., Hannah opens her own shop, the Cookie Jar, where much of the town's gossip percolates along with the strong coffee. Early one morning, she finds the driver of a delivery truck shot dead in the alley behind her shop. Hannah's brother-in-law, Bill, the county's deputy sheriff, recruits her to help him chase down the culprit. A surprising number of suspects emerges, but due to her cafe business and catering of local social events, Hannah is admirably placed to hear all, see much and investigate a little. Motives ranging from blackmail to extortion abound, as do descriptions of clothing and shopping. Cat fanciers will appreciate knowing how Hannah found her cat, but separating the wheat of the significant from the chaff of the irrelevant can be challenging. Fluke also stretches the imagination when Bill leaves most of the sleuthing to Hannah and when the sheriff's men fail to discover a second body at the dairy where the first victim was employed. But these are minor lapses in a story satisfyingly packed with plot twists and red herrings. The Pecan Chews recipe is especially recommended. (Apr.) Copyright 2000 Reed Business Information, Inc.
From Kirkus
Hannah Swensen of Lake Eden, Minnesota, has a better excuse than most of fictions lady sleuths to excuse her nosiness: her sister Andreas husband Bill Todd is deputy sheriff for the county and Hannah tirelessly maintains that she's helping him. During her inter-snooping hours, she runs The Cookie Jar, a coffee shop serving and selling the goodies Hannah bakes in the back of the store. Her supplies are delivered daily by Ron LaSalle, whom she often passes on her way to work. On this fateful day, Ron's truck is soon parked behind the store, but he fails to reappear. When Hannah finds him seated in the truck, the window open, a bullet through his chest, she's inspired to work her way through the townspeople, looking for a motive for Ron's death, even as she manfully resists her widowed mother's attempts to find her a husband. The annual bash given by wealthy Del and Judith Woodley pairs Hannah with pleasant dentist Norman Rhodes, but Hannah is soon caught up by the latest scandal: the disappearance of Nat Turner, owner of the huge Cozy Cow Dairy, who didn't show at the Buttermakers Convention, where he was to make the opening speech. Needless to say, it's Hannah who finds Max's body and evidence of the loan-sharking activities that provide a likely motive for his murder. Hannah's a likable sort despite her bent for taking over; the author's style is easygoing if slowed by too much inane chatter. In all: a modestly entertaining debut with some

delectable recipes as a bonus. -- Copyright 2000, Kirkus Associates, LP. All rights reserved.
