Kurzbeschreibung
Hearts break. Loved ones are lost. Life keeps moving. Olivia Martins afterlife was more dangerous and confusing than her life ever was. She thought she was ready to come back, to forget about Holden and to let go of the rage consuming her. Fulfilling her destiny as a guardian was all that mattered the past could stay hidden in the crevices of her mind. However, when guardians are murdered and the evidence points towards jinn, she has to do something. To save anyones future, Olivia will have to confront the one person from her past she is terrified to see. Holden waited for Olivia with the hope he would see her one more time. But when she didnt return, he found salvation in darkness. The black and twisted road made it easier to forget what he lost than to live with the memory of what he had. An unexpected promotion shoves him into a world of intoxicating power and influence. Holden will have to choose between his new life and the woman he thought was gone forever. From the ashes of Secrets, Choices are born that will change everything.

Many authors claim to have known their calling from a young age. Liz Schulte, however, didn't always want to be an author. In fact, she had no clue. Liz wanted to be a veterinarian, then she wanted to be a lawyer, then she wanted to be a criminal profiler. In a valiant effort to keep from becoming Walter Mitty, Liz put pen to paper and began writing her first novel. It was at that moment she realized this is what she was meant to do. As a scribe she could be all of those things and so much more. When Liz isnt writing or on social networks she is inflicting movie quotes and trivia on people, reading, traveling, and hanging out with friends and family. Liz is a Midwest girl through and through, though she would be perfectly happy never having to shovel her driveway again. She has a love for all things spooky, supernatural, and snarky. Her favorite authors range from Edgar Allen Poe to Joseph Heller to Jane Austen to Jim Butcher and everything in between. Come visit Liz online.
