**ber den Autor und weitere Mitwirkende** Born and raised in the frozen tundra of Wisconsin, Caylie fell in love with reading at a young age. With her lively imagination, she created numerous stories in her head throughout her childhood and teenage years. Finally at 16 she sat down at the computer and wrote out her first full length novel. That pacified her for a time. However, the stories kept swimming through her mind. Finally in 2013 she typed out Chapter One of three different novels and sent them off to a close friend for review. At her friend's advice, she started exclusively writing *Choose Us*. When she isn't slaving away at the keyboard, Caylie is an avid reader, and lover of coffee copious amounts of coffee. She also has an unhealthy addiction to tv shows binge watching is her favorite. She chases her two kids around the house all day, and has a husband whom she adores.
