Great start in this new seriesVon Anne B.A new series by one of my fave authors, Nicholas Bella. And what a blast of a start into this new world it is. Prepared to buckle on for a dark and sexy rollercoaster ride, I was more than curious to meet his new characters and this whole new world Nicholas created for us to read about.The idea of demons walking and living among human kind and some even trying to reign the world isn't that new. But coming along with the story and the way we are drawn into it, it all gets more and more intriguing and fascinating with every page you read. On the one hand we have Brian, a hot cop playing by the rules and living his life. Stepping in Raphael, sexy mysterious hunk and obviously more than catches the eye. Once Raphael reveals himself to Brian and that they're mates now, Brian is thrown into a new world he has to understand to keep the control of his life. When additionally an woman of a secret agency asks for his help, Brian has to decide. Being sexually drawn to Raphael isn't helping there either...I loved to meet Brian and Raphael, they're great and I can't wait to learn more about them and Brian finding his way as the Chosen one. I think I have found a new series to get addicted to. Thank you, Nicholas, and you did it again. Can't wait for the next installment!!0 von 0 Kunden fanden die folgende Rezension hilfreich. Finally....another great Nicholas bookVon witchflameWhere to start?Where to end? Life is all about Destiny....and if Raphael wouldn't have sped over.....Brian would have pulled him over for a speed ticket.....Raphael s demon wouldn't have found its mate....and wouldn't have Brian tied down...to f... him. Hot scene...really hot.... sigh... I cannot wait to read the next part.....Will Brian start to work for the mysterious organisation? Will he find out what the aura colors mean? Will he have to f... the summoning demon to convince him of helping? Nicholas: hurry up! Otherwise my inner book and xxx craving demon will find you!

Kurzbeschreibung"One minute, everything was normal for me, and the next, all hell breaks loose. "I'm a cop with the Alandale City police force. I love my job, protecting the public and getting rid of scum was what made my day. Everything was going just fine until my lunch was interrupted by some rich, arrogant jerk in an Aston Martin who thought he could just speed past my squad car and get away with it. I had no idea what I was getting myself into when I wrote Mr. Ledo his speeding ticket, but after what happened to me, I wish I had just let him go. Maybe then, my world wouldn't have been turned upside down and inside out. Warning: This serial contains strong adult content not meant for sensitive eyes. The novelettes in this serial will be filled with dark, twisted, raunchy and steamy scenes between powerful, sexy men that will either offend you or get ya revved up. This series will not be pulling any punches, and it wont apologize for hurting your feelings, either. Youll find no fluff and ruffles here. These demons play hard and they fight dirty. There are approximately 25100 words in this novelette.Kurzbeschreibung"One minute, everything was normal for me, and the next, all hell breaks loose. "I'm a cop with the Alandale City police force.
