**Von Mike Faricy : Chow For Now (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Chow For Now (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. When life really goes to the dogs Von mountainmama Dickie lives on a dilapidated houseboat, drives a decrepit DeLorean, and owns a failing bar. What else could go wrong in his life? Enter ex-wife, Rae Nell, with another of her get-rich-quick schemes, and we watch as his life goes from bad to nightmare. Mike Faricy has done it again - written a witty romp about a down-and-out guy who makes the absolute worst decisions possible. I always love his characters -

flawed but loveable, ditzy and without a clue, or evil and stupid. He does a wonderful job of describing his characters, scenes, and keeps the story going without a lot of extra detail. A fun read - fast-paced and entertaining. The book could definitely use a good editor, but the story is great.

Kurzbeschreibung Sometime private eye, Dickie Mullins would be a lot better off if only he ignored ex-wife Rae Nell's get rich schemes. But then, that's not how Dickie operates. Rae Nell has just been hired by rip-off artist Terry Taggart to promote his unique line of steaks. What better way to introduce the dining public than an open house at Dickie's Emporium of Dance, a meat market of a slightly different nature. By the time the open house is concluded Rae Nell's fling with her boss Terry Taggart has erupted into a very public affair and Terry's wife, heiress Helen Hardy, is looking for justice. Meanwhile, Terry's assistant, Luther Suggs, is increasing the body count just as the health department closes down Dickie's Emporium of Dance. Did we mention the fur coat scandal? Fortunately for Dickie his girlfriend D.J. is still talking to him, and eventually he listens. You're hooked from the first page to the final word of this hilarious read. Hang on tight for plot twists and turns sprinkled with wonderful surprises along the way. Another magnificent cast of Faricy's madcap characters and incredibly fast moving action make this a must read.
