**Von Karin Kallmaker : Christabel (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Christabel (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Mystical and magicalVon Ein KundeI enjoyed Night Vision so much that I ordered this book as soon as it was available. It is so different from Night Vision in subject, but the belief in lesbian magic that reaches beyond space and time is as pervasive here, as healing and as vastly enjoyable! I recommend this book to anyone who believes that love can

transcend any pain and any evil. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Astonishing and Gripping  
Ein Kunde Love can conquer anything, even time and always evil. That's the message of this book, which I could not put down. Two timelines are intertwined to tell a story of two women who must defeat a powerful evil that has captured and tormented one of them through centuries. I was completely captured by the concept and fervently pulling for these women, right to the very last page.

Kurzbeschreibung Deeper than the city streets, the subways, even the dry riverbeds that no longer flow, are the roots of a tree that remembers love and tragedy... Financier Dina Rowland's assignment is to make fashion designer Leo Goranson a lot of money. But the more she knows of him, the more repugnant his personal life is to her. Not the least inconsequential is his unbreakable hold on his greatest asset: supermodel Christabel. One touch and the power--and responsibility--of Dina's long-hidden heritage threatens to crumble the careful plans she has made for her life. Christa knows there is no escaping her tormentor, but she has a plan to deny him what he ultimately wants from her. The past can't be changed. Having long accepted her fate she is unprepared for the wild feelings that Dina's eyes arouse in her. There is passion, certainly, but also the rarest feeling of all to her: hope.

Synopsis Deeper than the city streets, the subways, even the dry riverbeds that no longer flow, are the roots of a tree that remembers love and tragedy. Financier Dina Rowland's assignment is to make fashion designer Leo Goranson a lot of money. But the more she knows of him, the more repugnant his personal life is to her. Not the least inconsequential is his unbreakable hold on his greatest asset: supermodel Christabel. One touch and the power- and responsibility - of Dina's long-hidden heritage threatens to crumble the careful plans she has made for her life. Christa knows there is no escaping her tormentor, but she has a plan to deny him what he ultimately wants from her. The past can't be changed. Having long accepted her fate she is unprepared for the wild feelings that Dina's eye arouse in her. There is passion, certainly, but also the rarest feeling of all to her: hope. Originally published in 1998 under the pen name of Laura Aadms, this imaginative and passionate story is sure to please new and old fans alike.
