**Von Carole Mortimer : Christmas Alpha (Alpha 1) (English Edition)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Christmas Alpha (Alpha 1) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Humor? Von guddi Der arrogante Fotograf, der sich die Paketlieferantin klarmacht war für meinen Geschmack zu heiss/kalt in seinem Verhalten um die Geschichte wirklich gut zu finden. Die Paketlieferantin war ebenso hin und her gerissen zwischen Naivität und Kurzschlusshandlungen. Humor konnte ich in den Dialogen leider nicht erkennen, eher Chauvinismus und viel blabla. Bei 39% der Geschichte war noch nichts nennenswertes geschehen, daher habe ich das

Buch zurckgeben. Der Schreibstil ist ganz korrekt, daher zwei Sterne. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Lustig, schn und berzeugend. Von glauka. Ich hatte das Buch gratis runtergeladen und mich hat es hundertprozentig berzeugt... Ich mag Carole Mortimer, wenn man zwischendurch was lesen will (beim Warten auf die Bahn/Bus, im Wartezimmer einer Praxis, abends vor dem Einschlafen), dann ist sie eine der besten Alternativen. Man kommt immer wieder rein... das ironische verbale Geplnkel zwischen den Hauptpersonen ist immer wieder lustig und realistischer als die neuen Shade-of-Grey-Kopien, wo immer immens gutaussehende und ungebundene aber kontrollschtige Milliardre ahnungslose, vielleicht sogar jungfruliche, Arbeitssuchende vom Fleck weg engagieren. Unter uns htte ich auch gern ;-) Egal, das Buch ist kurzweilig, witzig und hat auch ne ganz nette Sexszene... Vielleicht wirkt das Happy-Ende ein wenig berstrzt und zu einfach, aber mir war's egal. Wie gesagt, fr zwischendurch, ist das Buch ideal.

Kurzbeschreibung The sizzling HOT novella that introduces USA Today Bestselling author Carole Mortimer's all new series, ALPHA, contemporary romance with an added dash of suspense. Stories of dark and compelling ALPHA men, who are used to taking what they want when they want it, and the strong and determined women who have no intention of being taken. Unless it's on their own terms... Finn Devlin is being stalked by his ex-girlfriend, and the last thing he wants or needs is to find himself stranded in a blizzard, four days before Christmas, with a woman he's only just met but already knows he wants in his bed. Underneath him. On top of him. Any way he can get her! Eva Shaw has no idea why Finn Devlin would choose to live alone in such a remote place miles from his nearest neighbors. One thing she does know, however, she isn't the woman he's mistaken her for. The woman he hired from an agency... While the blizzard continues to rage fiercely outside, the passion inside the house becomes even hotter and unstoppable. Taking Finn and Eva to new and undeniable heights of raw sensuality and desire. While someone outside watches and waits... Authors Note: The novellas and full-length novels in the ALPHA series have sexier situations and more adult language than my other books.
