Von Rebecca Boxall : Christmas at the Vicarage before purchasing it in order to gage whether or not it would be worth my time, and all praised Christmas at the Vicarage:

KurzbeschreibungIts been fifteen years since Rosamunde last lived at the vicarage in Potters Cove, the pretty coastal

village where she grew up, experienced her first true love and a heartbreak that changed her life forever. But now Potters Cove is calling her back: its time to make peace with the past and go home. Rosamunde's return to the vicarage in the days before Christmas is a whirlwind of festive cheer and heartwarming reunions with friends, family and her loving father, the vicar. And while seeing the old place after all this time stirs painful memories of long-ago grief, it also reminds her of all the love she left behind. Fifteen years ago she vowed never to let herself be vulnerable again but now that she's back she's not so sure. Is it possible that real happiness could strike more than once? Spanning three decades of family life, *Christmas at the Vicarage* is a warm, feel-good tale that examines what it means to love and to lose and to be brave enough to try again. Revised edition: This edition of *Christmas at the Vicarage* includes editorial revisions.

ber den Autor Rebecca Boxall was born in 1977 in East Sussex, where she grew up in a bustling vicarage always filled with family, friends and parishioners. She now lives by the sea in Jersey with her husband and two children. She read English at the University of Warwick before training as a lawyer, and also studied Creative Writing with The Writers Bureau. Her latest novel, *Home For Winter* is out now.
