RoaneReviewer: Stephanie Jordan#Paranormal #WolfShifters #VampireThis is such a fantastic Christmas Story that Ms. Roane has written. To be together with the one you love at Christmas time is always special. Officer Kyle Drake is a Vampire who is very well liked by everyone, he is an honest Officer among many bad. He wanted to get the drug cartel who made and sold the Christmas Flame it was an epidemic once you start you get Red and Green Flames on your neck and cheek. On top of that young teenage girls were being kidnapped and some murdered and some were treated like prostitutes. On a personal bases Officer Drake was also interested in a certain lady, which for the last three months he's been trying to date. Tonight Christmas Eve was going to be there date and he pulled out all the bells and whistles. Even decorated his house. Verena Seward is an altered wolfshifter who tries to save these girls who are abducted. There were so many she wished she could save them all. But tonight was going to be all for her. She was going to a Christmas Eve party and her date was probably the most handsomest man she ever seen. This might be a short read but it was well worth reading. I was gifted this ARC for an honest and truthful review.
