Von Jill Shalvis : Christmas in Lucky Harbor: Simply Irresistible/The Sweetest Thing/Two Bonus Short Stories (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Christmas in Lucky Harbor: Simply Irresistible/The Sweetest Thing/Two Bonus Short Stories (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. The first 2 novels in the series and 2 short stories. Von Detra FitchSimply IrresistibleMaddie Moore leaves L.A. (after dumping her abusive boyfriend and losing her job) for the little coastal town of Lucky Harbor, Washington. Her deceased mother, Phoebe Traeger, has left a ramshackled inn to Maddie and her two half-sisters, Tara and Chloe. Maddie is hoping for a new beginning and sees potential in the Lucky Harbor Resort, but a lot of work would be needed simply to bring the inn back up to code. Maddie's biggest problem is convincing her sisters to agree. They want to sell the place, divide the money, and go their separate ways. Money is another problem. The place needs a complete makeover and not one of the sisters has the money for the enormous task. The contractor Maddie hires turns out to be the hot guy she has recently tried (accidentally, of course) to run off the road. That faux pas had been followed by Maddie tipping over Mr. Hottie's motorcycle shortly thereafter. But unlike the loud men she has ever known, Jax Cullen takes it all in stride. Worse, Jax is making it difficult for Maddie to remember that she has sworn off men.***** FIVE STARS! As the first sister to have her story told, Maddie is the meekest. Considered to be "The Mouse", Maddie is learning to speak up for herself. Watching this mouse transform into a lioness is pure bliss. The author has given each sister her own unique personality. Yet as different as the three half-sisters are, each has managed to wiggle their way into my heart. THAT is but one sign of a talented writer. "Simply Irresistible" is fun, full of humor, and simply delightful in every way. *****The Sweetest ThingSeventeen years ago, at the age of seventeen, Tara Daniels had a fling with Ford. In the end, they give their child up for adoption and Tara leaves for Texas. But recently Tara has returned to Lucky Harbor, Washington. Tara and her half-sisters (Chloe Traeger and Maddie Moore) are opening Lucky Harbor Inn. Ford Walker is no longer a young teen. Ford is now pure testosterone and sinew. However, the uncontrollable blaze that once burned between him and Tara remains the same if not hotter. Ford is determined to win Tara back. When Tara's ex-husband, Logan Perrish, comes to town with the same agenda, Ford tosses down the gauntlet which Logan picks up. May the best man win!***** FIVE STARS! Lucky Harbor is a close-knit town full of colorful, caring, and nosy locals that I have come to love. In this story, the locals keep the town's Facebook page updated with interesting goings-on. Unfortunately for Tara, that means grainy cellular photos and postings about the two alpha men competing for her affection. (Hey, what single lady wouldn't enjoy having a sailing champion and a NASCAR champion begging for her attention? [Besides Tara, that is.]) The town's page even has a poll going for bets as to which man Tara will finally accept. That is just an example of the humor and fun readers may expect from a Lucky Harbor story. Fabulous! *****Kissing Santa Claus (Short Story)It has been five months since Logan Perrish had left Lucky Harbor to return to the racing circuit. Though Sandy Jansen had known he was just a fling, she had no idea how much she would miss the NASCAR driver. Now it is close to Christmas and Sandy is feeling more alone than ever before. Then suddenly Logan is there, claiming he wants her back forever.***** FIVE STARS! I have been hoping that Logan would have his story told one day. That day has finally arrived. I am happy to say that it was well worth the wait. *****Under the Mistletoe (Short Story)Five years ago Mia travelled from New York to Lucky Harbor, Washington, to find her birth parents. She was immediately accepted and became part of a wonderful family filled with misfits. While there, Mia met and fell in love with Carlos. But Carlos dumped her for her own good and told her to move on. Mia did. Mia still lives in New York but often returns to Lucky Harbor. For the past six months she has been dating Nick, a new lawyer for restorative justice. When Mia asks Nick to spend Christmas with her in Lucky Harbor and be her date at the wedding of her aunt, Chloe, Nick declines with no explanation. Brokenhearted, Mia travels alone to Lucky Harbor the next morning. Nick does not have a family. Going through the system as an orphan is why he chose restorative justice. He has never let anyone get too close until Mia. He is uncertain about Mia's big family in Lucky Harbor and how he might feel out of place, but he goes anyway. Nick only knows that without Mia, he is lost. Problem is that now he will have to prove himself to Mia, as well as her protective family. And then there is Carlos.***** FOUR STARS! It is odd for me to read a story (even a short story) where last names are not given. Since Mia played a big part in The Sweetest Thing; she already felt like a close friend to me. Not so with Nick. With no last name and never seeing the character before, Nick never became real to me. Still, the story is good; even if it is a bit too tame for my taste. *****Reviewed by Detra Fitch of Huntress Reviews.
