Kurzbeschreibung YA paranormal romance What happens when a fairy (dressed as a witch) wants a vampire for Christmas? Only time will tell, hopefully before either of them end up dead! Enjoy a fun-filled Christmas short story (13,000 words) For all the Sdh series fans: Christmas in Vampire Valley features another of the Andrews cousins! Snippet: BOOM! An explosion shook the walls of the auditorium, an area filled to the brim with vampires. Squares of foam and glass rained down on the teens. Terrified screams erupted around me, creating mass confusion. The smell of blood perfumed the air. With the smell of blood, growls of hunger emerged, intensifying the chaos. Black smoke billowed across the stage area. I scrambled onto the back of my chair as a stampede of terrified vampires rushed toward the exit. Sitting between fang-faced teens and the large back door was not a very good place for a delicately built girl to be. There was no way I could go head-to-head with a bunch of out-of-control vampires. Narlene intentionally slammed into me, shoving me off my precarious perch. Falling backward, I cried out. My heart constricted; fear splintered through me like a piece of shattered china. I knew if I hit the floor, I might never get up, not with the number of teens running past me. I flung my arms outward, bracing for a fall. I never hit the floor. Strong arms caught me, pulling me into a tight embrace. From the muscled chest, and strong arms wrapped around me, I knew it had to be a guy. I inhaled a warm spicy scent that sent a deep yearning through my chest. I looked up and froze. Brandon towered over me. Top of his class academically and star quarterback for the football team, he was the most popular vamp in school. His midnight hair and emerald eyes topped the cake with lots of icing, a very yummy looking cake. He leaned down several inches. His breath tickled my ear as he chuckled, and asked, Going somewhere? Read the series in any order! If you prefer to read the series chronologically, then read in the following order. - Christmas in Vampire Valley: Song of the Sdh #5 - Stolen Love: Song of the Sdh #3 - Forbidden Temptation of a Vampire: Sdh Summer Camp #1 - A Dragon's Dream of Love: Song of the Sdh #2 - Vampire's Forbidden Territory: Sdh Summer Camp #2 - Guardian Beloved Mate: Song of the Sdh #4 - Beloved LifeMate: Song of the Sdh #1 - Exile: Sdh Summer Camp #3 Each book is a stand-alone story with re-occurring characters.
