Kurzbeschreibung Olivia's Christmas trip to Venice, Italy, should be a holiday dream come true. But when her unattended luggage becomes the focus of a handsome Italian policeman's bomb investigation, she worries she won't even make it out of the Marco Polo Airport. Practically handcuffed to the best-looking man she's ever seen, can Olivia convince him she isn't a terrorist before he writes her off for good? Christmas in Venice is the perfect little treat to start the holidays off with a smile. (This short story is adapted from the first chapter of Meadow Taylor's newest full-length novel, *Midnight in Venice*, available now.) :The story is a gift to the reader and shows the fun that can be had by reading a small story and expecting BIG THINGS for the rest of the story.
