WeihnachtswunderVon Renate H.Kate berrascht ihren Verlobten mit ihrer Zwillingsschwester und flchtet in die Berge, wo sie eine Htte mietet. Dort trifft sie auf Henri, dessen Frau vor 3 Jahren an Krebs verstorben ist. Beide wollen die Weihnachtszeit nutzen, um in der Abgeschiedenheit ihre gebrochenen Herzen zu heilen. Durch einen Schneesturm sind sie gezwungen, Weihnachten gemeinsam zu verbringen, und kommen sich rasch nher.Die

Geschichte ist sehr romantisch, allerdings durch die Krze ohne echte Hhen und Tiefen. Es gibt auch Rechtschreibfehler, die allerdings nicht sehr stren. Die Storyline ist gut, die kurz angesprochenen Probleme glaubwrdig. Wenn die Autorin mehr Seiten investiert und jemand Korrektur gelesen htte, wre das ein richtig gutes Weihnachtsbuch geworden.

Kurzbeschreibung Kate Murray has always loved Christmas. Until this year. This year, Christmas represents an aching reminder of all that Kate is supposed to have and all that she has lost. Her fiance ran off with her twin sister and Kate would rather hide and wallow in her misery than spend Christmas with her family. This will be the first Christmas that she has ever spent alone. Kate rents a secluded cabin for the holidays and hopes to find herself again as she picks up the pieces of her shattered heart. Instead, Kate finds Henri Archer, a sexy architect who owns the vacation cabin that she rented. Henri is undeniably handsome and although Kate knows that it is entirely too soon for her heart to embark on a new relationship, her attraction to Henri is impossible to ignore. Since the death of his wife three years ago, Henri has struggled to get through Christmas. Spending an unexpectedly romantic holiday secluded in a winter wonderland with Kate has Henri wondering if Christmas wishes really do come true. Together, Henri and Kate rekindle the joys of the Christmas season - each contemplating bearing the scars of their pasts for a second chance at love. Kate fears that by opening her heart to Henri she risks re-opening herself to the heart ache that threatened to destroy her. Henri hopes that two broken hearts can come together and mend each other - a true Christmas miracle. \*\*Christmas Kistmet is a sweet and steamy holiday romantic tale about love, fate and the redemption of second chances\*\*
