**Von Cathy Kelly : Christmas Magic** before purchasing it in order to gage whether or not it would be worth my time, and all praised Christmas Magic:

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Christmas Magic is the wrong titleVon Pulpfiction99I love reading Cathy Kellys books and so I didn't hesitate when I bought this. Unfortunately I did not realize it was a collection of short stories... I am not a very big fan of short stories and I was a bit disappointed.The stories are good and I liked nearly all of them. But... not all the stories are Christmas stories. And as I read this book just before Christmas to get into the festive mood, it did not do what I hoped it would.My recommendation to all you Cathy Kelly fans: Buy the book and read it, you will like it. BUT do not buy it

to read before Christmas!
