Weihnachtslektre Von Kindle-Kunde Debbie Macomber ist immer gut für nette, zu Herzen gehende Liebesgeschichten, so auch in diesem Band mit 2 Erzählungen. In beiden geht es um Menschen, die anscheinend zu Beginn nichts gemeinsam haben, aber im Laufe der Erzählung zueinander finden. Es ist in beiden relativ klar, worauf es hinausluft, und als Leser ist eigentlich das interessant, wie es dazu kommt. Ich muss gestehen, dass ich vor allem die zweite Geschichte entzückend fand und sie sehr genossen haben, in der ersten konnte ich mich mit der männlichen Hauptperson nicht anfreunden und kam so irgendwie nicht in die Liebesgeschichte hinein. Ich fand diese Story eher unglaublich, würde dafür höchstens 3 Sterne vergeben - mit 5 Punkten für die zweite Geschichte ergeben sich die 4 Punkte insgesamt. Leichte, angenehme Kost - auf Debbie Macomber ist immer Verlass! 1 von 2 Kunden fanden die folgende Rezension hilfreich. Great Holiday Read Von Deb Lee This book was laugh out loud funny!!!! I have just recently discovered Debbie Macomber, and I thought this book was considerably different from the Blossom Street books I have been reading. I think Debbie Macomber is a very versatile author. It isn't often I read someone's work that I can both laugh and cry at!!! Way to go!!! I would also recommend reading Tino Georgiou's bestselling novel--The Fates--if you missed it!

Kurzbeschreibung Christmas Letters is a fine companion to a glass of eggnog. Publishers Weekly Katherine O'Connor (known as K.O.) adores her five-year-old twin nieces and objects to her sisters plans to dispense with Christmas. Zelda is following the theories of child psychologist Wynn Jeffries, author of The Free Child (and, as it happens, K.O.'s neighbor). K.O. is particularly horrified by his edict to bury Santa under the sleigh, and she's out to prove that Wynn and his ideas are full of snow. He's not going to ruin her nieces' Christmas! Too bad the guys are so darned attractive! Rainy Day Kisses is a delightful romantic comedy at Christmas or any other time of the year! Seventeen years ago, Susannah Simmons was a career girl who knew nothing about babies. But after babysitting her niece, Michelle, Susannah discovered that one determined and screaming infant can make the corporate world look like child's play! Thank goodness for Nate Townsend, her charming neighbor at the time. Now he's her charming husband, and Susannah is a mother as well as an aunt. And every Christmas Eve, Michelle tells her cousins how their mom met their dad!
