Von Aimee Thurlo : Christmas Witness before purchasing it in order to gage whether or not it would be worth my time, and all praised Christmas Witness:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Winning romanceVon Ein KundeAnnie Sundusky grew up in church-sponsored children's home. At that facility, she met Bobby, who became her husband. However, shortly after they married, Bobby died in an accident. The widow Annie was alone and pregnant at that fatal time. Paul Black Raven, owner of a ranch that borders the Tiwa Pueblo, provides Annie a place to stay and work on her art in exchange for clerical assistance.A father-daughter relationship forges that ends when someone murders Paul, leaving Annie heartbroken for the second time in her life. Just before his death, Paul summoned his estranged son Jake to come home, but he returns too late to reconcile with his father. Upon the moment that Jake and Annie see each other, an attraction occurs. However, Jake fears commitments and Annie needs a

long time relationship. Though their love for one another appears to be going nowhere, they work in tandem to uncover the identity of his father's killer. Annie Thurlo, well known for her Native American romances, scores again with her most poignant novel to date, CHRISTMAS WITNESS. The beauty of the tale is observing the growing love between the lead protagonists' struggles to overcome grief, other circumstances, and the couple's personal phobias. The compelling mystery works as the number of suspects are limited, but their motives fully developed in a misdirected manner. Ms. Thurlo's latest book is a holiday treat.

KurzbeschreibungA protector for her child.Mother-to-be Annie Sandusky witnessed a killer fleeing the scene of a crime. Now the murderer was after her. And only the victim's son, Jake Black Raven, was man enough to protect her.Tall and proud, Jake Black Raven became Annie's shadow. He'd returned to the ranch only to settle his father's affairs, but he couldn't leave when Annie was still in danger. Not with her baby due any minute. And not when he would trade a thousand days for just one night in her bed. His father had left him a dangerous legacy, but he would lure out a killer if it meant saving Annieand the child he'd begun to consider his own.KurzbeschreibungA protector for her child.Mother-to-be Annie Sandusky witnessed a killer fleeing the scene of a crime.
