Brilliant! Von Kathryn Mayer A long awaited book. After reading all the other books about the family I was pleasantly surprised at this one as I didn't know what to expect. I have already pre-ordered the sequel!

Kurzbeschreibung Jealousy, tragedy, survival, and revenge the discovery of Christophers diary in the ruins of Foxworth Hall brings new secrets of the Dollanganger family to light and obsesses a new generation. With Flowers in the Attic and Petals on the Wind both now major Lifetime TV events, this first new addition to the Dollanganger story in nearly thirty years is a timely look at the events in the attic from teenage Christophers point of view. And dont forget to preorder the follow-up, Christophers Diary: Echoes of Dollanganger! Christopher Dollanganger was fourteen when he and his younger siblings Cathy and the twins, Cory and Carrie were locked away in the attic of Foxworth Hall, prisoners of their mothers greedy inheritance scheme. For three long years he kept hope alive for the sake of the others. But the shocking truth about how their ordeal affected him was always kept hidden until now. Seventeen-year-old Kristin Masterwood is thrilled when her fathers construction company is hired to inspect the Foxworth property for a prospective buyer. The once grand Southern mansion still sparks legends and half-truths about the four innocent Dollanganger children, even all these decades later. Foxworth holds a special fascination for Kristin, who was too young when her mother died to learn much about her distant blood tie to the notorious family. Accompanying her dad to the forbidden territory, they find a leather-bound book, its yellowed pages filled with the neat script of Christopher Dollanganger himself. Her father grows increasingly uneasy about her reading it, but as she devours the teens story page by page, his shattering account of temptation, heartache, courage, and betrayal overtakes Kristins every thought. And soon her obsession with the doomed boy crosses a dangerous line.
