Wundervoller Harlequin Manga ( Wonderful Harlequin manga)Von AnjaliIch bin wirklich in harlequin mangas verfallen.Jedes Monat warte ich gespannt auf die neu Erscheinungen. Die Geschichten sind sehr nett zu lesen. Manche sind dem orginal Roman sehr nahe. Andere wiederum nicht. Trotzdem sind sie ausreichend fr vergngte Lesestunden. Die Geschichte der beiden hat mir sehr gut gefallen. Beide sind identisch und starke Persnlichkeiten. Leider ist es sehr

schnell zu lesen. I'm really expire in harlequin manga. Each month I wait anxiously on the new phenomena. The stories are very nice to read. Some are very close to the original novel. Others naturally not. Nevertheless, they are sufficient for hilarious reading. The history of the two I liked it very much. Both are identical and strong personalities. Unfortunately, it is very fast to read.

DEKE BERTRIM HAD NEVER SEEN SUCH GORGEOUS GREEN EYES  
When I first got to town to investigate the money that was missing from the family business, I didn't expect to fall in love with one of my employees. Laurel Hillman, supervisor of shipping and receiving, was beautiful but born into a different world. I'm Harvard and she barely finished high school. I have a fortune. She has a family. It was fun pretending for a little while, especially when I volunteered to coach Laurel's daughter's softball team. But I had to fulfill my obligations and return to my seat of power. Would there ever be a fairy tale where their differences didn't matter?
