KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. wundervolle WeihnachtsromanzeVon Renate H.Eve arbeitet seit einem Jahr fr Nick und verliebt sich in ihren Boss. Nachdem sie in ihrer Vergangenheit oft Schwierigkeiten mit Mnnern wegen ihrer zu gut entwickelten Figur hatte, kleidet sie sich nur mehr figurverhuellend und trgt eine Brille. Als ihre Freundinnen ihr klar machen, dass sie am Leben vorbeilebt, mchte sie nur einmal einen Kuss von Nick und dann neu durchstarten. Sie verkleidet sich bei der Firmenweihnachtsfeier als Elf, und verfhrt Nick. Ihre berraschung ist gro, als Nick unbedingt den bezaubernden Weihnachtself finden will. Was soll sie tun?Diese Kurzgeschichte ist ganz bezaubernd geschrieben, flssig und

glaubwürdig. Die Charaktere sind liebenswert, das Happy end erotisch. Was will man mehr? Eine absolute Leseempfehlung, nicht nur für die Weihnachtszeit.

Kurzbeschreibung Eve has been in love with her boss, Nick, for the entire time she's been his personal assistant. But he's never noticed her. Because of previous mishaps at other jobs, Eve chooses to hide herself with dowdy clothing, over-sized glasses and an unflattering hairstyle. When her girlfriends confront her with the fact that she's not dating, Eve realizes she has to deal with her attraction to Nick and get him out of her system. One kiss, that's all she wants. Operation Stealth Elf is born. Eve attends her company's Christmas costume party as a very sexy, naughty elf. She catches Nick's attention and gets way more than a kiss. Before the clock strikes midnight, Eve escapes into the night, leaving her panties behind. The following week at work, Nick stuns her when he asks for her help in finding his naughty elf. Short of having every woman in his company try on the red lace panties that Eve left behind, he'll stop at nothing to discover the elf's true identity.
