Von Christine Rimmer : Cinderella's Big Sky Groom (Mills Boon MB) (Montana Mavericks, Book 20) before purchasing it in order to gage whether or not it would be worth my time, and all praised Cinderella's Big Sky Groom (Mills Boon MB) (Montana Mavericks, Book 20):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. eine wunderschöne Liebesgeschichte, wenn nur der Schluss nicht wäreVon Andrea MaierEine wunderbare Liebesgeschichte über eine junge Kindergärtnerin, die immer im Schatten ihrer glamoröseren Halbschwester stand und nun den besten Anwalt des Ortes bekommt und was aus einer Liebe eine Verlobung entsteht ist eine schöne Liebesgeschichte mit Happy End. Etwas streud sind die wiederholt aufgeführten Vergleiche mit Cinderella, denn das Motiv hat man schon recht bald verstanden. Was mich aber absolut gestört hat und auch für den Sternabzug verantwortlich ist, ist der Schluss. Da wird noch eine obskure Prophezeiung gemacht und das entführte Mädchen ist nicht gefunden und die Geschichte ist aus. Gibt es eine Fortsetzung? Keine Ahnung. Extrem unbefriedigend.0 von 0 Kunden fanden die folgende Rezension hilfreich. KurzbeschreibungWedding bells in Whitehorn?Ross Garrison was everything Lynn Taylor had ever dreamed of in a prince. And in one fairy-tale night, she gave him her innocenceand her heart. Now everyone was talking about how the prim schoolteacher turned up in the sexy lawyer's beduntil Ross gave the townsfolk something to really talk about and claimed Lynn as his bride-to-be! Lynn knew Ross was only trying to protect her honor. After all, this confirmed bachelor was about as far from marriage material as a man could be. Unless, of course, he fell in love.KurzbeschreibungWedding bells in Whitehorn?Ross Garrison was everything Lynn Taylor had ever dreamed of in a prince. Lynn hopes to show him that there's a lot more than gossip control going on between the two of them. This story is an installment in Silhouette's ongoing Montana Mavericks continuity series. The author's challenge with a continuity is to take the elements the editors provide--and then make them her own. Here, I had a ball creating my own personal version of the Cinderella story, complete with "wicked" stepmother and stepsisters, a best friend/fairy godmother, a touch of magic, a sweet, loving, very determined "Cinderella" and a "prince" who thinks of himself as anything but.
