A Great LovestoryVon GreenParrotI loved the way Fern told this story, and how she gave other characters their own points of view, as well as little side plots that let you in on the lives of the other characters and how they acted and reacted and felt in the story. The ending is happy, and it made me cry. It was a very touching story about human emotion and

human frailty, and how you can grow and become stronger through circumstances.0 von 0 Kunden fanden die folgende Rezension hilfreich.
