Lynn Hanna does it again!!!!Von Maudeen WachsmithTaking us again to the Scottish Highlands, Lynn Hanna has written another book full of legend, lore, and romance. Kyle makes a wonderful hero and there are plenty of appearances by Matt, Rainey, and Sasha (and Malcolm, Emma, and Angus) to keep THE STARRY CHILD fans satisfied. Chapters one and seven are particularly powerful not only in the writing but in the emotional tug. And for those of you who were delighted with the surprising twist at the conclusion of TSC, Ms. Hanna does not disappoint. Her surprising twists at the end of books are going to become her trademark, I'm afraid (I hope ). Run, don't walk to the stores and get

this one!

While I liked this book, I didn't like it quite as much as I did "The Starry Child". This book seemed more like a run-of-the-mill romance novel to me than did her first book, which first attracted my attention because of the folklore element. I read the book very quickly and thought it interesting and well done, but I just couldn't help feeling a little disappointed. Nonetheless, I recommend it, especially to those who enjoyed "The Starry Child".

This book ties together the love of a family and the almost special powers of the three women in the story. The characters are so real and powerful. The message is still one that love conquers all.

The magic of Scotland...  
A love story that crosses the centuries...  
Another magnificent, award-winning time-travel romance from the author of *The Starry Child*  
With *The Starry Child*, author Lynn Hanna created a unique contemporary novel based on the legends, lore, and love of Scotland. Now Ms. Hanna returns to this enchanting world--where the sole survivor of a plane crash on the rocky coast of Scotland discovers the key to his wife's forgotten past, his daughters' dreams, and his own heart...  
What greater test of a love is there than the need to trust the strongest instinct of all, the tie of timeless soulmates separated by distance and unimaginable danger? Will faith in that love lead to survival or will all be lost on the rocky and desolate shores of the remote Scottish isles? Matt and Rainey have survived challenges beyond imagining in order to be together. But their journey has only just begun and the perils they must face may tear them apart or bring them closer together. Here is love beyond time, beyond endurance, and beyond the boundaries of the imagination. Rainey's daughter, Sasha, has reached womanhood and she is about to meet the man who will become her hero, her equal, and the one who will cherish her for all time, if he proves himself worthy.  
One more addition to the family...  
Sasha now has a nine-year-old sister, Carrie, whose Gaelic name means faith. Carrie has a magic all her own and without the legendary wisdom that is well beyond her years, the family may be torn apart.  
Here is love beyond the boundaries of the centuries, beyond the boundaries of human endurance, beyond the boundaries of mortality...

A LOVE HELD CAPTIVE SINCE THE TIME OF THE CELTS  
RAINEY MACINNES' LOVE FOR HER HUSBAND MATT is being tested as never before. On a flight home from Norway, Matt's plane goes down off the islands of Orkney, beyond the far northern coast of Scotland. Rainey is told there are no survivors, and treacherous weather forbids the authorities from doing a search. This is not the first time Rainey has been told such heartbreaking news. To lose two husbands to the cold waters of the North Sea is unthinkable. Rainey and her eighteen-year-old daughter SASHA are convinced that Matt is still alive. Sasha's little sister CARRIE is only eight, but she too senses that her father still lives. "He's with the selkies," Carrie insists. Rainey and Sasha can only pray Carrie's contention that Matt is with creatures who are sometimes seals and sometimes human is not her way of saying Matt is no longer alive. They must risk their lives conducting a search on their own. Only Rainey understands that Matt must be found, not solely for his own sake, but because he now holds the key to the survival of all the Highland generations to come, a precious necklace from the time of the ancient Celts that will also lead Sasha to the mysterious love of her life--a love that crosses the centuries to be only with her.
