Von Aran Ashe : Citadel Of Servitude before purchasing it in order to gage whether or not it would be worth my time, and all praised Citadel Of Servitude:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. sM

DreamVon Gary WedlundThere is a sexual sM world that exists only in the imagination, and Aran Ashe is particularly adapt at showing us that world. Citadel of Servitude is written in the Gorian style, complete with a language that suggests medieval Europe where Doms and Dommies have unlimited noble rights upon the common classes. They and their guards exercise these rights upon captive women and the occasional captive male with sexual abandon, blow by blow, page by page. The story begins with naked captive women, arms locked behind them, breasts outstretched, marching through the city gate. Common Men and women run to see the display, mostly lusting, before the women disappear into the mysterious citadel. There is a plot, much like that found in East of Eden, the plot similarly a backdrop against which the sexually improbably is played - repeatedly - the captives surrealistically begging for more after hours of captive abuse. Some dream this while others of us wish for a greater sense of reality. Still, fantasy is more about dreams than reality, and on this level, Citadel of Servitude is near the head of its class, well written and well paced.0 von 0 Kunden fanden die folgende Rezension hilfreich. Too disjointedVon Ein KundeThis work has some very good sections. Houever in my opinion, they are too few and this novel is comprised of vignettes that have no, or extremely tenuous ties. Overall I found it to be a tiring read, and not one of the better of this genra. My opinion may have been coloured by my not having read any of the previous works by Ashe, consequently I had no familiarity with the story line('s).I won't go out of my way to read other works by this author.0 von 0 Kunden fanden die folgende Rezension hilfreich. Tastefully renderedVon Ein KundeThe novel is tastefully done and, unlike many in the genre, can appeal to both men and women. Part of its appeal is that the language is not crude, and the situations--though SM/BD in nature--are not overtly violent or degrading as so many novels of this type tend to be. For someone who is curious about SM/BD, this is a palatable foray into the topic. A highly "entertaining" read.

KurzbeschreibungTormunil: the mysterious citadel of erotic mastery from which there can be no escape. Sianon is the beautiful love-slave whose breast weep milk: Josef the outlander who tries to save her, only to be drawn ever deeper into a vortex of perverse desires.The thwarted lovers await love and punishment at the hands of the rulers of the citadel.Here they will be called on to please the single-minded Lady Berengaria, the decadent Magus, and th e wayward Princess Janna, each of whom will seek, through intimate and unusual means, to excite and prolong pleasure on demand.In the Citadel of Servitude, every avenue of sexual love must be tested, every strange pleasure explored, and every taboo broken.KurzbeschreibungTormunil: the mysterious citadel of erotic mastery from which there can be no escape.
