You are immersed in the book from the very first page and the characters are very believable and relatable. I really enjoyed the style of writing and all the little details about Vienna are quite interesting. Even though I have lived in Vienna for the past 15 years, I did find out a couple of

new things. I am really looking forward to the next book by Shawn Kobb. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Lesenswert
Von Kunde Rein zufällig bei diesem Buch gestolpert, habe ich es gleich an einem Tag verschlungen. Da ich selber in Wien lebe, lese ich gerne Bücher, die dort spielen. Es ist immer interessant zu lesen, wie "meine" Stadt von Zugereisten gesehen wird. Das Buch ist eine richtige Hommage geworden und die spannende Handlung passt sehr gut in das gewählte Umfeld. Kann ich nur empfehlen!

Kurzbeschreibung VIENNA. A city of history and culture, where Mozart, Freud, and Beethoven once walked the streets. For American university student Jake Meyer, it is a chance to recover from a family tragedy he left behind. Surrounded by the baroque palaces and charming squares of the city, he hopes to pull his life back together. However, Jake quickly learns danger lurks in the most beautiful of places and his life takes a deadly turn when he provides a false alibi to an attractive fellow student seen fleeing the murder scene of her ex-boyfriend. When secrets from a forgotten war are unearthed, the mystery and body count start to pile up at Jake's feet. With only the help of a friendly American consular officer, can Jake survive long enough to prove his innocence to the police? A debut novel of mystery with international flair, "City of Ghosts" is sure to please both armchair travelers and amateur detectives.

Über den Autor und weitere Mitwirkende
Shawn Kobb is an American author living in Vienna, Austria. In addition to writing mysteries and thrillers, he moonlights as a diplomat and has lived and worked in Ukraine, The Bahamas, Afghanistan, and Washington, DC. If he told you any more than that, he'd have to kill you. Before joining the U.S. Foreign Service, he worked as a 911 dispatcher for a large city in the Pacific Northwest well-known for its rain. Not Seattle, the other one. While working as a dispatcher, he had ample opportunity to develop plot ideas while speaking on the phone with crime victims, murderers, naughty children, and schizophrenics. He lives in Vienna with his wife, a dog, and a cat.
