Von Henry David Thoreau : Civil Disobedience (Xist Classics) before purchasing it in order to gage whether or not it would be worth my time, and all praised Civil Disobedience (Xist Classics):

Kurzbeschreibung A Book that Transformed America Friendship is first, Friendship last. But it is equally impossible to forget our Friends, and to make them answer to our ideal.- Civil Disobedience, Henry David Thoreau Civil Disobedience was Thoreau's first published book and continues to transform American discourse. It is unusual for its symbolism and structure, its criticism of Christian institutions, and its many-layered storytelling. This Xist Classics edition has been professionally formatted for e-readers with a linked table of contents. This ebook also contains a bonus book club leadership guide and discussion questions. We hope you'll share this book with your friends, neighbors and colleagues and can't wait to hear what you have to say about it. Xist Publishing is a digital-first publisher. It is a valuable piece of scholarship on the history of political thought regarding Thoreau's essay. The introduction is pitched at a level that is appropriate to undergraduates and is written in a very interesting, engaging, and readable style. But given the historically situated analysis of Thoreau's writing of Civil Disobedience, this volume will also be a valuable resource for established scholars as well. The additional primary texts are thoughtfully selected and relevant, and they help give us a more complete portrait of Thoreau in his time: with these additional readings, we can better grasp the historical context of many of the enigmatic references Thoreau makes in Civil Disobedience." -- Shannon Mariotti, Southwestern University "A masterful historical contextualization. Bob Pepperman Taylor's introduction is a model of scholarship and his annotations are consistently illuminating. The supplementary voices, ranging from William Paley to Henry Highland Garnet to Daniel Webster to Ralph Waldo Emerson to Abraham Lincoln, help bring Thoreau to life by setting him in his place and time." -- Jack Turner, University of Washington, editor of A Political Companion to Henry David Thoreau Kurzbeschreibung A Book that Transformed America Friendship is first, Friendship last.
