KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. An interesting readVon AmyAfter the start with too much erotica the story hooked me within the second half of the first part. I like elven-stories. The surrounding could have been a bit more unique, elvenlike and not so human.If you are not sure, if it is for you, read the free first part of this series. The writing style is good and the sex scenes written well, although sometimes too much. Worth reading. There are some very dramatic scenes in the story.
