Wonderfully imaginative and surprisingly sweetVon FelizThis was just SUCH a beautiful, imaginative story!I loved it how the aliens in here were truly alien, not only humans in disguise. This world where actually the humans are the aliens was as fascinating to me as it was to Liam, and with him, I loved to explore and to discover the Rownt's culture--

and along with him, I fell for Ondry, whose needs turned out to match Liam's so perfectly, as unlikely as this seemed in the beginning. This would've made a great lovestory even without them ever having sex, if I'm making any sense here. Heartwarming and delightful, and highly recommended.0 von 0 Kunden fanden die folgende Rezension hilfreich. fun and creative, nice story nice eroticaVon florkowi liked the worldbuilding, the showing not telling about the world, and the confused naive hero a lot, good gay love / eros story.

KurzbeschreibungGenre:Science Fiction Space Opera, LGBT, BDSM FetishLiam loves his life as a linguist and trader on the Rownt homeworld, but he has ignored his heart and sexual needs for years. He won't risk letting anyone come too close because he won't risk letting anyone see his deeply submissive nature. For him, submission comes with pain. Life burned that lesson into his soul from a young age. This fear keeps him from noticing that the Rownt trader Ondry cares for him.Ondry may not understand humans, but he recognizes a wounded soul, and his need to protect Liam is quickly outpacing his common sense. They may have laws, culture, and incompatible genitalia in their way, but Ondry knows that he can find a way to overcome all that if he can just overcome the ghosts of Liam's past. Only then can he take possession of a man he has grown to love.KurzbeschreibungGenre:Science Fiction Space Opera, LGBT, BDSM FetishLiam loves his life as a linguist and trader on the Rownt homeworld, but he has ignored his heart and sexual needs for years.
