Charaktere sind authentisch, lebendig und nachvollziehbar dargestellt, die Geschichte ausserhalb der blichen 08/15 Plots vergleichbarer Bcher. Es ist ein Jugendbuch, das aber auch Erwachsenen aller Altersgruppen Freude und Spa am Lesen beschert. Eigentlich sollte es einen Punktabzug fr den uerst langsamen und fast ereignislosen Einstieg dieses Buches (die Vorgnger sind excellent von Buchdeckel zu Buchdeckel) geben, das Tempo nimmt aber nach der ersten Hlfte rasant zu und die Geschichte macht das mehr als wett. Somit doch eine volle Sternzahl von mir. Es ist zu hoffen, dass die Serie einen fhigen bersetzer findet, es wre sehr bedauerlich, wenn sie dem hiesigen Jugendbuch-Markt vorenthalten bleibt. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Love it! Von Melanie Husler I think I have never read a book series more exciting than this one. I am already looking forward to the next book.

Kurzbeschreibung "What an incredible adventure. I just did not want the book to end." --Drew Schmidt, reviewer Warlocks Augum, Bridget and Leera are finally able to relax after a grueling ordeal in Bahbell. Now their fugitive mentor has a dangerous new quest--sneak into an ancient library and research an artifact that could devastate the Legion. Their substitute mentor Leopold Harvus, however, is an obsessive and petty man with a distaste for anything untoward, particularly Augum and Leera's affections for each other. As their studies suffer from his meddling, one brazen act of rebellion plunges the trio and their quest into mortal peril, for Harvus quickly proves he is not a man to be trifled with. "Best books since Harry Potter, and I have read that series over several times."-- Trent, reviewer Books in The Arinthian Line series: Arcane (The Arinthian Line, book 1) Riven (The Arinthian Line, book 2) Valor (The Arinthian Line, book 3) Clash (The Arinthian Line, book 4) Legend (The Arinthian Line, book 5)

ber den Autor und weitere Mitwirkende I'm a full time author living in Victoria, British Columbia. I grew up on Dragonlance and probably spent way too much time playing video and role-playing games (particularly Rifts and ADD). Much of my youth was spent exploring dungeons. Now my cat likes to keep watch from a customized Lego castle near my desk. My favorite sagas are Harry Potter, Lord of the Rings, and Game of Thrones. I love to bike camp with my amazing wife, who is my biggest supporter. I play tennis, leisure chess, and once wanted to become a pilot. When I was a kid, I dreamed I could jump off the ground and fly. My head was in the clouds, and in some ways, still is. The Arinthian Line is my first series, currently consisting of ARCANE, RIVEN, and VALOR. It was inspired by youthful adventures as a boy scout. Each of the books was a #1 Fantasy Coming-of-age bestseller at one time or another. One of my songs can be heard in the feature-length film The Gene Generation. I know how lucky I am to be a full time author. I am grateful for it every day.
