Von Rosanne Bittner : Climb the Highest Mountain (Savage Destiny Book 5) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Climb the Highest Mountain (Savage Destiny Book 5) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Savage Destiny: Climb the Highest MountainVon KathrynI love Rosanne Bittner's books. Although this is not quite as good as

the first 4 books in the Savage Destiny series, it is still very enjoyable. I love being able to follow the lives of Zeke and Abbie and the rest of their family. Giving the reason why the story isn't one of my favorites could give away certain parts of the story. I'm still looking forward to reading the last 2 in the series, as well as all her other books. No one can tell a story the way Rosanne Bittner can.

KurzbeschreibungIn this fifth book of Bittners unforgettable Savage Destiny series Zeke and Abbie are forced to defend their children against challenges faced because of their mixed blood. More settlers come west under the Homestead Act, causing the gradual and final demise of the Cheyenne way of life. The surge of new settlers brings with it a wealthy Englishman, Edward Tynes, who builds a cattle ranch near the Monroe homestead and falls in love with Abbie, admiring her strength and bravery, and jealous of her undying love for a man who cannot give her the pampered life Tynes feels she deserves. Zeke leaves to join his warrior son, Wolfs Blood, in new Indian wars, and for the first time Abbies loyalty to her husband is tested. But no man can replace the fiercely brave, strong, handsome Zeke Monroe in Abbies life. *Climb the Highest Mountain* is an action-packed, powerful love story you will never forget, the fifth in a series still in demand years after its first publication. **PRAISE:**Power, passion, tragedy, and triumph are Rosanne Bittners hallmarks.
