Getting Nicolai out of jail becomes imperative as the full moon approaches, Enre finds himself falling deeper under the spell of Alenas charming lure, horrific danger lurks in shadows, and is coming after the circus clan with a vengeance.WOW/INCREDIBLE well written creative read by a truly gifted author. This author does not disappoint in keeping you glued to the story with twists, mystery, and spine-chilling suspense. The chemistry between Enre and Alena is more than convincing; their romance is blazing hot and filled with undying devotion. Alena is a most valiant heroine and Eric a worthy hero. This is the first time I have read T.F. Walsh, I like her style of writing and loved this story, a most gratifying read. If you treasure shifter romance this is a terrific book for your library. {I was gifted this book, and this is my completely honest review}. In the world of shifter fantasy the possibilities are endless and always fascinating. Without reservation I recommend this book.
