Von Jenn McKinlay : Cloche and Dagger (A Hat Shop Mystery) before purchasing it in order to gage whether or not it would be worth my time, and all praised Cloche and Dagger (A Hat Shop Mystery):

the bottom of the riddle. There's not exactly the type of suspense you'd find in the ordinary murder mystery, but if you do judge a book by its cover, you probably weren't looking for that, in the first place. Village charms, relationships and a murderer in the midst of that. Looking forward to reading more.

Kurzbeschreibung An all-new series from New York Times bestselling author Jenn McKinlay. Not only is Scarlett Parkers love life in the loo as her British cousin Vivian Tremont would say it's also gone viral with an embarrassing video. So when Viv suggests Scarlett leave Florida to lay low in London, she hops on the next plane across the pond. Viv is the proprietor of Mimss Whims, a ladies hat shop on Portobello Road bequeathed to both cousins by their beloved grandmother, and she wants Scarlett to finally join her in the millinery business. But a few surprises await Scarlett in London. First, she is met at the airport not by Viv, but by her handsome business manager, Harrison Wentworth. Second, Viv who has some whims of her own seems to be missing. No one is too concerned about the unpredictable Viv until one of her posh clients is found dead wearing the cloche hat Viv made for her and nothing else. Is Scarletts cousin in trouble? Or is she in hiding?

Pressestimmen Praise for Cloche and Dagger: A delicious romp through my favorite part of London with a delightful new heroine. Deborah Crombie, New York Times bestselling author. Brimming with McKinlays trademark wit and snappy one-liners, Anglophiles will love this thoroughly entertaining new murder mystery series. A hat trick of love, laughter, and suspense, and another feather in [Jenn McKinlays] cap. Hannah Dennison, bestselling author of the Vicky Hill Mysteries. Fancy hats and British aristocrats make this my sort of delicious cozy read. Rhys Bowen, author of the Royal Spyness Mysteries.
