Hier werden sie beantwortet, die groen Fragen der Menschheit: Wo kommen wir her? Wie retten wir unseren Planeten? Gibt es intelligentes Leben im Universum? Warum sind wir fasziniert von Vampiren? Wieviele Orgasmen kann Frau in einer Nacht haben? Und warum sind Mnner manchmal solche Mistkerle?

Lesen! Ich freue mich schon auf die Fortsetzung! 2 von 3 Kunden fanden die folgende Rezension hilfreich. sehr gutes Buch! Von Lena Ribka Das Buch ist sehr gut geschrieben - eine Mischung aus Science Fiction und Erotik. Wenn Sie ein Fan von "Fifty shades..."-Trilogie sind, dürfen Sie dieses Buch nicht verpassen. Die Beziehung zwischen den beiden Hauptprotagonisten hat mich sehr an die Liebesgeschichte von Christian und Anastasia erinnert. Mit einem Unterschied - Korum ist kein Mensch. Mehr würde ich nicht verraten, überzeugen Sie sich selbst! Spannend und ungewöhnlich! 2 von 5 Kunden fanden die folgende Rezension hilfreich. Closely boring Von Emily Milomil Normally, I prefer a happy end, action and a strong woman and a also stronger man. Here I get a little pale doll, who is always tearing up about every situation. At the whole story I read about a girl who always see her bedfellow as her enemy, but right about that she only saw a shape of him, she's going to get fluid at certain regions. Always - the whole story! He is a 2000 year old alien, who only knows Mia as a interesting girl and hush, she is very special and only his. Mia became a spy against Korum and the whole time, I read her interacting, I wanna shout: God lord, let it rain a good load brain for her, because she's study in psychological. There was so much more, what was disturbing. No keeper and I'm glad for the low cost.

Kurzbeschreibung From the New York Times bestselling author of Twist Me comes an addictive, thrilling tale of dark love set on post-invasion Earth In the near future, the Krinar rule the Earth. An advanced race from another galaxy, they are still a mystery to us and we are completely at their mercy. Shy and innocent, Mia Stalis is a college student in New York City who's led a normal life. Like most people, she's never had any interactions with the invaders until one fateful day in the park changes everything. Having caught Korum's eye, she must now contend with a powerful, dangerously seductive Krinar who wants to possess her and will stop at nothing to make her his own. How far would you go to regain your freedom? How much would you sacrifice to help your people? What choice will you make when you begin to fall for your enemy? Note: This is book 1 of a completed trilogy. All three books are now available. She wrote her first story shortly thereafter. Since then, she has always lived partially in a fantasy world where the only limits were those of her imagination. Currently residing in New York City, Anna is happily married to the man of her dreams and closely collaborates with him in the writing of the Krinar Chronicles.
