An other wonderful Thriller for the fans of Logan McRae - Von Miki101.Micha ... and his "wild bunch" - with a short story as an extra... This time the Circus is in town - the Circus of the TV-Series and movie stars. Logically certain stalkers

follow the crew, and not only...And one of them seems to fit the profile of the mad murderer whoNo - not one word more about this thriller, a Logan McRae from the beginning to the end. And DI Steel has a great part in it, too.A perfect read for the friends and lovers of our Hero of Aberdeen! Ande for all those who like Scottish humorism together with an original way of detection..I always wait for

more!.....Ein weiterer, toller Thriller um Logan McRae und seine "wilde Horde" - mit einer Kurzgeschichte als Bonus-Anhang.Diesmal ist der Zirkus in der Stadt - der Zirkus der TV-Serien und der Kinostars.Logischerweise folgen den Berhmtheiten auch die blichen Stalker, und leider nicht nur die. Und auf einen dieser Stalker scheint das Profil des verrrckten Moorders zu passen, der...Nein - kein weiteres Wort ber diesen Thriller - ein typischer Logan McRae vom Anfang bis zum spannenden Ende. Und auch DI Steel spielt eine grosse Rolle in diesem Buch.Perfekt fr ale Freunde/innen und Liebhaber/innen unseres Helden aus Aberdeen. Aber auch fr alle diejenigen, die schottischen Humor gepaart mit, sagen wir einmal, origineller Ermittlungsarbeit lieben.Ich warte schon auf mehr!1 von 4 Kunden fanden die folgende Rezension hilfreich. Close to the Bone by Stuart MacbrideVon Jack SpratI enjoyed reading this book although it wasn't as gripping as the other books by the same author that I've read. Follows on from the previous title and must be read in sequence to understand what is going on.Well written, good continuity and a relatively good end. I appreciate authenticity and so this added to my positive impression of the book.

KurzbeschreibungThe third consecutive No.1 bestselling crime novel from the author of the DI Logan McRae series and Birthdays for the Dead.Sticks and stones may break your bonesThe first body is chained to a stake: strangled, and stabbed, with a burning tyre around its neck. But is this a gangland execution or something much darker?Someones leaving little knots of bones on DI Logan McRaes doorstep, but hes got bigger concerns. Rival drug gangs are fighting over product and territory; two teenage lovers are missing; someones crippling Asian immigrants; and Logans been lumbered with an ambitious new Detective Sergeant and gained the unwelcome attention of the local crime boss.When another body turns up, the similarities between these murders and the plot of a bestselling novel seem like more than just a coincidence. And perhaps those little knots of bones are more important than they lookPressestimmenPraise for Stuart MacBride: 'MacBride is the natural heir to the late and much lamented Reginald Hill' Andrew Taylor, SPECTATOR 'MacBride is a damned fine writer - no one does dark and gritty like him' PETER JAMES 'Fierce, unflinching and shot through with the blackest of humour; this is crime fiction of the highest order' Mark Billingham 'Some of the grittiest crime-writing in the field' Independent 'Admirers of tough, modern crime novels will be in seventh heaven - or should that be hell?'
