company to start up a coffee shop. A coffee shop that I would love to have near the place where I live. Its a coffee shop where you can read books, buy them and have a cup of coffee with a cookie or more. Very good idea. The only problem is that Eves running out of money, and her dream is slowly going down the drain. Not to worry her best friend comes up with a super idea to save the shop. Then there is the tea shop across the road, the owner there is not at all happy and believes that Eve is stealing her customers. Oh but she does have this good looking son Treat who falls head over heels in love the Eve and tries to hide this from mummy. The story line is good but too short. I would have loved to have read more about the singles evening that Eve held in her shop. The shop itself wasnt really brought to life, if this was Eves biggest dream then I would have loved to have had a better picture of the busy shop owners life. Her longest best friend only comes into her shop once, this wouldnt happen in real life, even with baby. A new mother needs her friends and Eve needs her too. Only somethings, which from my point of view came up short. Having said all this the book was an enjoyable read.0 von 0 Kunden fanden die folgende Rezension hilfreich. another good read for lonely nights Von Book-Addict After finishing the first book of the Laurel Heights series in the blink of an eye, I couldn't wait to start the second one. I have to say that I was not only NOT disappointed but even mesmerized by the fact that things could still get better. Eve is a friend of Freya (the main character o the first book) and she owns a caf that is spiraling towards bankruptcy when she meets a guy whose name suits him incredibly well: Treat. They feel an instant attraction but things get a little shaky when he is not entirely honest with her. But before that happens there are tons of sparks flying and hot and steamy scenes to read and reread over and over again ;-) Also you will get to know all the lovely girls that will be in the center of attention in the following books. Another book of Kate Perry where you instantly fall in love with the characters and can not put the book away until you finished and at least reread the good scenes two more times. The story is as fast developing as the first one which I totally love and I highly recommend reading it (best prepare tons of hot chocolate and whipped cream to go with it). Thanks to Ms Perry for making my afternoons so much more interesting! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Laurel Heights Book 2 - Eve and Treat Von Sabine Eve Alexander quit the job with her dad and openend her own coffee shop. So far it is a success but she is still struggling financially. So when she heard the famous pastry chef Daniela Rossi is looking for the perfect location to introduce her new book, she knows this is it. If she scores this event, her money troubles were over. Then Treat Byrnes walks into her caf and has her all hot. But everything went downhill when somebody starts to sabotage her shop and she discovers that her neighbor, the owner of a tea shop is behind all her troubles and stops at nothing to ruin her. Little does she know it's her new beau's mother. I loved Eve in the first book and now she got her own story. However, I did not like the crazy mother of Treat who stoops really low to eliminate competition. I thought she might totally lose it any minute. What a lunatic! The end was a little hasty and I had loved to read a bit more about Margaret and Grant and how they got together. You just get a short glimpse in the epilogue. Never mind, the story was great anyway and I can't hardly wait to read Olivia's story.

Kurzbeschreibung "Perry is a storyteller, weaving magic wherever she goes, much to the delight of her millions of fans." - The Literary Shed When Treat Byrnes walks into her bookstore caf, Eve Alexander wants to eat him up. Bad boy isn't her usual flavor, but for the sexy contractor, she's willing to take a walk on the wild side. Treat has a history of falling for damsels-in-distress, but Eve doesn't need rescuing. Not even when her caf is sabotaged. Only when Treat finds out the saboteur is his own mother, he knows he has to do something before things go too far. Fall in love with the entire Laurel Heights series: Book 1: PERFECT FOR YOU Book 2: CLOSE TO YOU Book 3: RETURN TO YOU Book 4: LOOKING FOR YOU Book 5: DREAM OF YOU Book 6: SWEET ON YOU Book 7: TAMED BY YOU Book 8: HERE WITH YOU Novelette: ALL FOR YOU Book 9: MAD ABOUT YOU Book 10: LOVED BY YOU Novella: WRAPPED IN YOU ABOUT KATE: Kate writes about hope, and dreams, and the bonds of friendship and family. Her acclaimed novels have been #1 bestsellers around the world, and her books have been translated into several languages. All her stories feature sassy, independent women who just want love and earthy men full of heart who are more than able to rise to the occasion.
